

The Camp Blessing Social Story

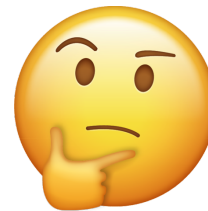

Today I am going to Camp Blessing Texas!

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

How does this make me feel?

Excited?

I have some questions

First, I will drive to Camp Blessing Texas. When I see these gates, I made it!

Next, I will pull up to this circle drive. Soon, I will see the cheer line.

The cheer line is a group of people at camp who are waiting for me to get there!

They love me and cannot wait to get to cheer for me when I come out of the car and walk, run, or ride down the line.

If I don't like a lot of noise, they will cheer quietly for me instead.

After the cheer line, I will meet my buddy for the week. We will take a picture together at the end of the cheer line.

Next, we will go see my cabin!

My buddy will show me my bed and we will wait for my luggage there.

I will sleep on the bottom bunk and my buddy will sleep above me on the top bunk.

My parents are going to check me in and turn in my medications if I have any. After that, they will come meet me in my cabin and I can show them my new bed!

Last, I am going to say goodbye to my parents
and hug them real tight! But I am not sad
because I know I will get to see them on
Saturday!
