

**YOUTH COVENANT**  
**Western Regional Youth Event (WRYE)**

This Covenant was created to help youth understand and abide by expectations of youth to help foster a respectful, safe and healthy environment in which we can explore our faith, make new friends, worship and learn together.

**Please review and sign this covenant with your parent or legal guardian:**

- † Because God calls us to be a community of faith, I covenant with God and all others engaged in this ministry to conduct myself in a manner that promotes a community of faith at all meetings.
- † I will participate in all activities and work with others to learn and grow from my experiences.
- † I will treat all people with dignity and respect.
- † I will model a positive attitude and spirit of generosity, compassion and service at *WRYE* and in the wider community we seek to serve and learn from. I will encourage others to do the same.
- † I will respect the property of all people and places where meetings occur.
- † I will honor all laws regarding the use of tobacco.
- † I will not bring or use alcohol and/or illicit drugs, realizing that such behavior is illegal and would require my dismissal from this body. At *WRYE* this includes marijuana.
- † I will not engage in any form of sexual activity.
- † I will observe the following guidelines for visiting the rooms of others:
  - ❖ Doors will be kept open when having visitors.
  - ❖ Otherwise, visitation will only be in public areas and during lunch, dinner, and optional time.
- † I will report all instances of sexual harassment and sexual exploitation to the designated youth staff.
- † I will be mindful of my roommate's right to privacy.
- † I will honor my responsibility to be on time and prepared, including honoring curfews each night.
- † I will not leave the meeting facility alone. If I wish to leave the meeting facility for any reason, I will obtain permission from my designated youth staff and an adult will be selected to accompany me.
- † I understand and accept that violation of this Covenant could result in my returning home at my own expense before the meeting's conclusion.
