CAMP GOALS:

At ECC we strive to

- 1) Help every camper experience joy in a safe and comfortable environment.
- 2) Show each camper the love of God through Christian community.
- 3) Celebrate each individual for who they are, created in the image of God.

We will know we have met those goals if your camper develops new friendships, respects other campers, expresses him or herself in a new way, participates in our common worship, has fun at camp, and leaves feeling more confident about him or herself after camp. Please consider filling out the end-of camp survey we will send to you. Let us know how the camp experience has impacted your camper. We hope it is a wonderful and life-changing experience for everyone!

Please let us know if you have any questions. We are so looking forward to sharing the ECC experience with our 2020 campers!

Best,

The Rev. Canon Meaghan Brower
Executive Director
