

Mandatory Completion of Immunization Forms:

The State of Colorado requires all participants to submit immunization records on the Colorado [Certificate of Immunization for schools and child cares form](#) and/or a [Vaccine Exception Form](#). Information about vaccinations and the required forms can be [found here](#).

To submit your immunization form to Game On!:

1. Complete the appropriate form and save it to your computer.
2. In the [Document Center](#) under the Medical Header you will see Upload Colorado Immunizations. Select the cloud with the arrow pointing up, the upload button, and follow the process to upload your forms. If you have 2 campers you must upload the forms and assign them each camper individually. Be sure to hit **Save** when complete.

If this completed form is not in your account prior to your campers first day, she will not be able to participate. **No exceptions as mandated by the State of Colorado.**
