

Option to Upload your Immunization Form

If you would rather upload your doctors signed immunization form please follow these steps.

1. In place of the immunization dates enter 0000 for everything.
2. Complete the registration process and check out.
3. In your account on the top of your page click on Additional Options.
Select - - > Document Center
4. Upload your Immunization Form
5. Save and you will be all set.

Please let us know if you have any questions.
