NEW and Coming Soon!

New Cabins If there is one thing we know for sure its that, when it comes to camp, the more the merrier! We are so excited to share that our two new duplex cabins will soon be open to accommodate even more happy campers here at Leoni. Join us Sabbath afternoon at 3pm us for a tour!

Resurfaced Roads It's hard to miss the improvements to our roads around camp. Enjoy the new, smooth ride! (But please remember to observe our old 15 mph speed limit.)

Bell Tower The old bell (recovered after the fire), in the new Craig Heinrich honorary bell tower, will soon be calling campers to linecall!

49er Cabin Of all the areas of camp affected by the Caldor Fire, our Wilderness Camp took one of the greatest hits. As the trees spring back, we are excited to see how the next generation of one of our favorite outpost camps grows too. To help, we are excited to share that we have broken ground on a new cabin at our historic 49er campsite. Join us this Sabbath at 3pm, in front of the Lodge, for a tour of the recovering site.
