

Camp Au Sable

Consent and Assumption of Risk

We are applying for our Family to engage in camp activities such as rock climbing, horseback riding, rope courses, water skiing, canoeing, gymnastics, go carts, and snowmobiles (hereafter collectively referred to as "activities"). We understand that such activities have inherent risks that include, but are not limited to, loss of control, collisions, obstacles, and other potential dangers that could result in personal injury.

We represent that our family has no health or physical problems that will interfere with camp activities. In consideration of being given the opportunity to participate, we assume and accept all risks of injury and dangers involved in horseback riding and other activities. We agree that our family is responsible for our own abilities.

We do support and agree to abide by all camp regulations and policies. We release the Michigan Conference, the Camp Management, its employees and agents, from any and all liability for damages which might result from the camp attendee's participation in these activities.
