

Sunscreen Application Permission Slip

As the weather gets warmer, the children will be spending more time outside. You may wish to provide us with sunscreen for protection while your child enjoys outdoor play.

If you would like us to apply sunscreen to your child, please provide us an unexpired bottle of sunscreen, labeled with your child's first and last name and date of birth .

As with any topical medication or cream, the first application of any brand of sunscreen should be applied at home in order to evaluate your child's possible allergic reaction to that product.

May be administered by unlicensed personnel.

I, _____, give

Ross School permission to apply the provided sunscreen.
