PARENT HANDBOOK

Welcome!

WELCOME TO BETHELWOODS SUMMER CAMP 2021

We are excited your young person is coming to camp this summer! We have a wonderful program planned that will make this an unforgettable camp experience for your young person. This handbook is designed to orient you to Bethelwoods Camp, to answer any questions you have, and share with you the expectation of life at Bethelwoods during summer camp.

We strive to create an environment that is safe for all who come here, that nurtures spiritual growth, and that is, of course, fun! As you'll learn in this handbook, we do this through the selection and training of our staff.

Many people from around the world come together to make camp happen each summer. Our summer staff is a big family and each member brings with them a love for outdoor ministry. Many our staff are behind the scenes working and praying to make each summer camp experience unforgettable!

If you have any questions about camp after reading this handbook, please contact us. We are happy to answer any questions about camp and share with you more about the camping experience at Bethelwoods.

We are looking forward to seeing you and your young person this summer!

Each summer Bethelwoods hires a staff of 30-35 program and support staff. These people are dedicated and committed to the ministry at Bethelwoods.

All counselors are at least 18 years old and have completed 2 weeks of intensive staff training. Our staff are chosen for their enthusiasm and screened utilizing background checks and references.

Our summer staff come from all over the world. We have local staff from the Carolinas, many from all over the United States and even a handful of international staff.

Each week a Volunteer Worship leader joins Bethelwoods to share in worship, Bible study, and camp fun with campers and staff. Worship Leaders are usually pastors or church educators from Providence or Charleston Atlantic Presbyteries.

Bethelwoods believes that a quality staff is the “key ingredient” to a successful and safe camping experience. All of the staff are enthusiastic and dedicated Christians. They have been screened, selected, and trained to ensure an exciting and meaningful camp experience. The counselors have all graduated from High School and are all certified in First Aid and CPR. The staff receives eleven days of intense training at the beginning of the summer and this continues with on-going instruction throughout the season. This training equips the staff with skills that enable them to create a physically, emotionally and spiritually safe environment for all campers.

Camper Expectations

Camp is an inclusive place where campers can be themselves. To promote and protect an atmosphere of inclusivity for all campers Bethelwoods has expectations that all campers and staff must meet. All members of the camp community are expected to treat one another as a Child of God with respect, care and honesty, in a socially acceptable manner. Disrespectful behavior, constant disobedience, or refusal to carry out instructions will result in disciplinary actions.

Discipline will be approached through the notion of teaching about choices. Our approach to discipline is grounded in grace. A Bethelwoods Staff member may use the following ways to help your young person grow in self-discipline: a glance from a counselor, a quiet word, time away from an activity or removal of privileges.

If these measures are not effective a Director will be informed which can lead to phone calls made home, and possibly being sent home without a refund.

We care about your young person and their safety so we have this disciplinary procedure in place to protect them and ensure everyone has a great camp experience. We are looking forward to a fun, safe, and memorable summer!

- Day 5: Going Out into the Neighborhood

Frequently Asked Questions

FOOD: Please do not send food with your camper to camp. Meals at camp are nutritionally balanced and prepared by our loving and experienced kitchen staff. Desserts are served at dinner each night and snacks offered through out the afternoon and evening as well as the camp store being open.

Dietary restriction should be noted on the health history form and discussed with Bethelwoods staff at registration. For food allergies, campers may bring alternative items to be left in the camp kitchen.

Frequently Asked Questions

LAUNDRY: Laundry facilities are not available for camper use. Emergencies, such as bedwetting, will be handled by camp staff in a discreet manner. LIT and CIT campers will have a chance to use camp laundry facilities on the weekends.

LOST AND FOUND: Please label your campers clothing and personal items. Lost and found items will be displayed at closing worship on Friday afternoon. All lost and found will be kept for 2 weeks after the end of a camp session before being donated to a local charity.

VISITORS: Visitors, even family and friends, are strongly discouraged. Due to the short time a camper is at camp, most visits have a negative effect and can sometime bring on homesickness. Bethelwoods staff is happy to give you a camp tour before the start of the camp session. This is for the security of all campers. If you need to stop by camp for any reason, all visitors must check in at the office.

CAMP EXPERIENCE: While at Bethelwoods, your young person will be part of a “family group” traditionally comprised of a group of boys (with their male counselor) and a group of girls (with their female counselor). It is with this family unit that the camper will do most of the camp activities. In the evenings, these small groups come together for worship, snacks, and an evening activity (such as a campfire, all-camp swim, or field games). Camp days are filled with a variety of activities including Bible Study, archery for older campers, swimming in the pool, canoeing on the lake, arts and crafts, and a variety of games.
