WELCOME TO THE GIRL SCOUT CAMPING ADVENTURE

FUN, FRIENDS, AND ADVENTURES AWAIT!

Girl Scout Camp is the place to be this summer and we are excited to have your camper join us for outdoor fun at Camp Maripai!

Please use this packet to start conversations with your camper about her camp experience. What is she looking forward to? What does she need to get ready for camp? What are her concerns? This is also a great opportunity to answer these questions as a parent. The sooner those conversations start, the more comfortable you and your camper will feel as camp gets closer. You can find more camp resources at girlscoutsaz.org/camps.

Girls build character, gain leadership, HAVE FUN, and practice independence at Girl Scout Camp. We are looking forward to this and so much more this summer. In the meantime, if you or your camper have any questions, please do not hesitate to contact us. We will be happy to discuss her upcoming experience.

See you this summer!

Evelyn "Sparkie" Torrez-Martinez
Director - Camp Maripai

HEALTH PROCEDURES

Camp is staffed by a qualified medical professional (RN, EMT, or LPN) known as the Health Supervisor. A local physician is on call at all times.

Parents/Guardians will be contacted if your camper:

- » Spends the night in the infirmary.
- » Needs to see a doctor or visit the emergency room.
- » Breaks the Camper Behavior Agreement.

Parents/Guardians may be contacted if:

- » The Health Supervisor has a question in regards to information supplied on your camper's Health History Form (medications, chronic health conditions, etc).
- » Camp staff needs your assistance / support in regards to your camper's well-being.

All campers receive a health screening upon arrival at camp, and the Health Supervisor verifies health information. Parents will be notified of any concerns.

All medications must be checked in with the Health Supervisor and can only be at camp if:

1. In the original container
2. Labeled with the camper's name, physician's name and correct dosage
3. Prescribed by a physician
4. Includes detailed written instructions on the Camper Health History Form

MEDICATION – Please **bring only prescription medication to camp**. Medication will be administered according to the prescribed instructions. *Emergency Medications such as Epinephrine or inhalers will remain with the camper at all times and camp staff will know the specifics of that child's medical needs.*

HEAD LICE

If head lice are found during the health screening, the parent/guardian of the camper will be contacted to discuss options that best serve the camper and the camp community.

To avoid the challenge of discovering head lice at camp, please check—or have someone with experience check—your camper several days before arrival. This should provide ample time to treat. Here are a few tips:

- » Finding lice can be difficult. There are many web resources for checking for lice, such as www.cdc.gov/parasites/lice/head/diagnosis.html
- » If found, carefully treat hair and all belongings before coming to camp. Treat hair with a lice removal product, remove all nits and repeat treatment in seven days. Wash all of her bedding, pillows, hats, stuffed animals, bike helmet, sleeping bags, brush, comb and anything else her hair comes in contact with in hot water (130 degrees) and/or dry on high heat. Many children get re-infected from their own belongings.
- » Here are more treatment recommendations: www.cdc.gov/parasites/lice/head/treatment.html

CAMPER HEALTH

In order for your camper to have the best possible experience at camp, they should be arriving at camp free of illness. If your child is showing any signs of illness, please keep them home until they are well and contact the Camp Director.

Because your camper will be joining a camp community, living in a cabin with four to eight other campers and sharing the camp with 150 other campers it is important that good practices like hand-washing and catching your sneezes are second nature.

SAFETY IN THE SUN AND HEAT

At camp we have two very common and preventable problems: SUNBURN and DEHYDRATION. Participants are encouraged to bring non-aerosol sunscreen of SPF 15 or greater and chapstick with SPF 15+.

Water is critical to our body's health. Everyone needs to drink at least three water bottles a day. At camp meals, we all drink one glass of water before other beverages. **PLEASE ENSURE YOUR CAMPER BRINGS A REFILLABLE WATER BOTTLE.** One with a strap for carrying is recommended.

SHOWERS AT CAMP

We have showers at all camps. In consideration of Arizona's water supply, showers will be limited and girls are asked to keep their shower time to a minimum. Girls may want to practice taking 5-minute showers before arriving at camp. Thank you for supporting our efforts in using our resources wisely.

EMERGENCY PROCEDURES

Parents will be contacted if there is an emergency that affects the camp community. Examples of emergencies include wildfire evacuation or other such occurrences. When these events occur, please do not call camp. You will be contacted by the Council office with information regarding next steps.

REQUESTS AND SPECIAL SUPPORT

Contact the Camp Director for campers with special health care or mobility limitations. At that time you will be able to discuss the nature of your camper's needs and gather additional information to determine if the camp can provide the proper support, supervision, and necessary accommodations to have a safe, fulfilling camp experience. To be successful at camp, your camper needs to be independent with self-care (shower, dressing, using the restroom) and comfortable with an 8:1 camper to staff ratio.

DIETARY NEEDS AND FOOD ALLERGIES

Please contact your Camp Director at least two weeks in advance if your child has any food allergies or special

dietary needs. Some dietary needs can be accommodated (vegetarian, lactose-intolerant, etc.), and others cannot. Special diets may require the participant to bring food to supplement the meals provided by camp. Although we cannot guarantee a peanut free environment, we can ensure meals are peanut-free.

CAMPER MAIL

To ensure your camper gets mail every day, **you may write a letter for each day and leave it with our staff when you drop off your camper.** If you use the U.S. Postal Service, allow three days for mail to arrive. Consider sending letters before she leaves for camp and we will store those until your camper's session. Make sure your mail is cheerful and positive. Ask questions about what she is doing at camp, but please don't tell her about all the great things she is missing or how much you miss her. This can lead to homesickness. If you want to send a care package, we recommend sending stationery, puzzles, books, comics, pens, stickers, etc. Please do not send candy, food or soda to your daughter. It attracts insects and wild animals, makes a mess and can also create conflicts among bunk mates.

HOW TO ADDRESS MAIL

	EXAMPLE
Camp Name	Camp Maripai
Program Name and Date(s)	Week 4 – Me and My Cowboy
Daughter's Name	Susie Camper
Address	201 E. Marapai Rd.
City, State, Zip Code	Prescott, AZ 86303

UNIT PLACEMENT

The most frequently asked question is “Where will I live?” Unit living placements are finalized only a day or two before the session begins and determined by total camp enrollment and numbers in each particular program. You will receive this information upon arrival.

All girls live in cabins, sleeping 5-6 girls per cabin, with adjacent bathroom facilities in a separate building. Mattresses are provided in all living units, bedding is not provided.

In all Maripai living units, staff members live in cabins adjacent to the girls in order to give both staff and campers privacy. This allows girls to work together and learn cooperative living skills.

GETTING TO CAMP BY BUS!

RESERVATIONS MUST BE MADE IN ADVANCE.

If you did not indicate that you wanted your camper to ride the bus upon registration or have not contacted us via phone, or e-mail, your camper is not registered to take the bus! Space is limited. Please contact the council office at 602-452-7030 or campbus@girlscoutsaz.org for reservations.

You and your camper will check in and then visit the health screening area. Luggage should remain in your car during this step.

- » **PARKING** – Staff will direct you to back in and show you where to begin the check in process. Our camps do not have large parking areas. Please be patient as we try to squeeze the cars in.

CHECK-IN PROCESS

There are numerous steps during the check-in process:

7. Parent says goodbye to camper.
8. Parent places camper's luggage in her assigned living unit's luggage cart.

CHECK-OUT AT CAMP SITE

The gate will open promptly at 2:00PM for pick up and closes one hour later for staff to clean and prepare for the next group.

THE PERSON PICKING UP THE CAMPER WILL BE REQUIRED TO SHOW PHOTO IDENTIFICATION. There are no exceptions to this policy – even parents/guardians must show ID. This is for your child's protection.

- » **LUGGAGE PICK UP** – Camper luggage will be sorted by session. Please take time to find ALL your camper's luggage including laundry bag, sleeping bag, pillow, stuffed animal, etc. Your camper's luggage may have expanded since she left. Check the luggage pile thoroughly. It's much easier than picking up lost items later.
- » **MEETING COUNSELORS** – Feel free to take a few minutes and meet the staff who worked with your camper. They'll be happy to meet you and discuss your child's stay.
- » **EARLY PICK UP** – If early pick up on check-out day is necessary, please plan to pick your camper up by 11AM. Pick up between 11AM and 2PM on check-out date is not possible. Simply indicate the time and date on the Parent Permission Slip and notify the camp staff at check-in.
- » **LATE PICK UP** – It is NOT possible to make arrangements for someone to stay with your camper beyond the pick-up time at camp. She will be excited to see you and share her camp experience. This is also the beginning of staff meetings and preparation for the next group of campers.
- » **MEDICATIONS** – remember to pick up your campers' medication from the Health Supervisor.

LATE ARRIVALS AND EARLY DEPARTURES

If your camper will be arriving late, you will need to contact the camp director at 480-710-9769 prior to arrival. Please report to the camp office upon arrival.
