# WELCOME TO THE GIRL SCOUT CAMPING ADVENTURE

---

## FUN, FRIENDS, AND ADVENTURES AWAIT!

We are thrilled that you chose Shadow Rim Ranch Girl Scout Camp this summer. There are many ways to Experience Shadow Rim Ranch through residential camp (3-day, 6-day, 8-day, and longer leadership sessions) and weekend Family Camps. This packet will help campers prepare for their time at camp. Girl Scout Camp is the place to be this summer and we are excited to have your camper join us for outdoor adventures at Shadow Rim Ranch!

This packet is the first step in getting ready for a great camp experience. Please use this packet to start conversations with your camper about her camp experience. What is she looking forward to? What does she feel she needs to get ready for camp? What are her concerns? This is also a great opportunity to answer these questions as a parent. The sooner those conversations start the more comfortable you and your camper will feel as camp gets closer. For further information on preparing for camp, please visit [girlscoutsaz.org/camps](http://girlscoutsaz.org/camps).

Girls build character, gain leadership, HAVE FUN, and practice independence at Girl Scout Camp. We are looking forward to this, and so much more this summer. In the meantime, if you or your camper have any questions, please do not hesitate to contact us. We will be happy to discuss her upcoming experience.

See you this summer!

# CAMPER HEALTH

---

Because campers will be joining a camp community, living in a cabin or tent with up to 5 other campers and sharing the camp with 100 other campers, it is important that good practices (like hand washing and catching your sneezes) are second nature. For additional information please read the healthy camp update from the American Camping Association – [www.acacamps.org/sites/default/files/images/parents/parentflyer.pdf](http://www.acacamps.org/sites/default/files/images/parents/parentflyer.pdf)

All resident (weekly) campers receive a health screening upon arrival at camp. Trained staff members look for illness, injury, or signs of communicable diseases. Parents will be notified of any concerns.

## HEALTH PROCEDURES

Camp is staffed by a qualified RN, EMT, or Wilderness First Responder know as the Health Supervisor. A local physician is on call at all times.

Parents/Guardians will be contacted if:

- » Your camper spends the night in the Wellness Center.
- » Your camper needs to see a doctor or visit the Emergency Room.
- » Your camper breaks the Camper Behavior Agreement.
- » The Health Supervisor has a question in regards to information supplied on your camper's Health History form (medications, chronic health conditions, etc).
- » Camp staff needs your assistance/support in regards to your camper's well-being.

Medication can only be brought to camp:

1. In the original container,
2. Labeled with the camper's name, physician's name and correct dosage, and
3. Prescribed for her by a physician
4. Includes detailed written instructions on Camper Health History form

**MEDICATION** – Please **bring only prescription medication to camp**. Medication will be administered according to the prescribed instructions. *Emergency Medications such as Epinephrine or inhalers will remain with the camper at all times and camp staff will know the specifics of that camper's medical needs. If needed, camp can provide over-the-counter medications, as listed on the health history form.*

**CAMPER HEALTH** – In order for your camper to have the best possible experience at camp, she should arrive free of illness. If your camper is showing any signs of illness, please keep her home until well and contact the Camp Director.

Because your camper will be joining a camp community, living in a cabin with eight to ten other campers and sharing the camp with 150 other campers, it is important that good practices (like hand washing and catching your sneezes) are second nature.

For additional information please read the healthy camp update from the American Camping Association [www.acacamps.org/sites/default/files/images/parents/parentflyer.pdf](http://www.acacamps.org/sites/default/files/images/parents/parentflyer.pdf)

## HEAD LICE

If signs of head lice are found during the health screening, or at any other time during camp, the affected camper's parent or guardian will be notified to discuss options that best serve the camper and the camp community.

To avoid the challenge of discovering head lice at camp, please check–or have someone with experience check your camper 7-10 days before arrival. This should provide ample time for treatment. Here are a few tips:

- » Finding lice can be difficult. There are many web resources for checking for lice such as [www.cdc.gov/parasites/lice/head/diagnosis.html](http://www.cdc.gov/parasites/lice/head/diagnosis.html)
- » If found, carefully treat hair and all belongings before coming to camp. Treat hair with a lice removal product, remove all nits and report treatment in seven days. Wash all of her bedding, pillows, hats, stuffed animals, bike helmet, sleeping bags, brush, comb and anything else her hair comes in contact with in hot water (130 degrees) and/or dry on high heat. Many children get re-infected from their own belongings.
- » More treatment recommendations: [www.cdc.gov/parasites/lice/head/treatment.html](http://www.cdc.gov/parasites/lice/head/treatment.html)

## BED BUGS

The US is experiencing an increase in bed bugs over the past few years. Because bed bugs can come to camp in bedding or other belongings, you can help us stay bed-bug free by checking campers' luggage and belongings prior to leaving home.

## SAFETY IN THE SUN AND HEAT

At camp we have two very common and preventable problems: SUNBURN and DEHYDRATION.

- » Participants should have **non-aerosol** sunscreen of SPF 15 or greater.
- » Participants should also bring and use chapstick with SPF 15 or greater.

Water is critical to our body's health. We request each camper bring a refillable water bottle, and drink at least three bottles a day. Please ensure your camper brings a sturdy, refillable water bottle to camp. A water bottle with a strap for carrying is recommended. At camp meals, we all drink two glasses of water before other beverages.

## SHOWERS AT CAMP

We have hot & cold running showers at all camps. Shadow Rim's water is supplied by two small wells. To conserve water, campers are asked to keep their shower time to a minimum. Girls may want to practice taking 5 minute showers before arriving at camp. Thank you for supporting our efforts in using our resources wisely. *Weekend family campers do not generally shower while at camp.*

## EMERGENCY PROCEDURES

Parents/guardians will be contacted if there is an emergency that affects the camp community. Examples of emergencies include nearby wildfire, flooding, smoke in camp, or other similar concerns. When these events occur please do not call camp. You will be contacted by the Council office with information regarding next steps.

## PHONES & ELECTRONICS AT CAMP

---

To help maintain the integrity of the residential camp experience and to support camper independence, campers may not make or receive phone calls while at camp. If there is need (illness, behavioral challenge, injury, etc.) to contact a camper's parent/guardian, the Camp Director will do so. If you have questions or concerns about your camper during their time at camp, please do not hesitate to call the Camp Director.

Camper personal phones are not permitted at camp for any reason. Residential camp provides a rare opportunity for girls to "unplug" from social media and electronics and to plug into nature, and the people around her. Camera phones can create privacy and legal concerns. They may also interfere with a camper's ability to build trust and independence and interferes with the experience of other campers.

**PLEASE DO NOT ALLOW YOUR CAMPER TO BRING A PHONE TO CAMP.** Camper's phones will be secured in the camp office until check-out. GSACPC is not responsible for lost, stolen, broken, or damaged property.

## KAPERS/COMMUNITY TASKS

---

In the Girl Scout Tradition of leaving things as clean or cleaner than we found them and making the world a better place, all campers will rotate through daily Kapers (such as preparing the dining hall for meals, leading singing, leading flag ceremony, cleaning the lodge after meals, etc.) In addition, all campers will contribute to keeping their cabin units (cabins, ramadas, bathrooms, etc.) clean and tidy during their stay. Prior to departure, campers will work together to thoroughly clean their cabins, bathrooms, ramadas, and outdoor areas. Cleaning will be supervised by camp staff.

## PROGRAM SESSION INFORMATION

---

Your camper is registered for a particular camp session for the grade level she will be entering in the fall. Campers will be participating in traditional camp activities. Examples of activities include arts and crafts, hiking, cooking out, archery, nature programming, and singing. All campers attending Shadow Rim will also have an opportunity to participate in climbing and canoeing. ***Weather permitting, all campers will sleep out under the stars one night.***

Age eligibility requirements for specific activities at Shadow Rim Ranch are:

- » **Archery** – campers entering grade 4 and above
- » **Zipline** – campers entering grade 4 and above

## SPECIAL NEEDS

---

Please contact the Camp Director if your camper requires specific support such as severe allergies, mobility limitations, health concerns, emotional support, etc.. We're happy to discuss the nature of your camper's needs and gather additional information to determine if the camp can provide the proper support, supervision and necessary accommodations for your camper to have a safe, fulfilling camp experience. To be successful at camp, your camper needs to be independent with self-care (shower, dressing, using the restroom), and comfortable with an 8:1 camper to staff ratio.

### DIETARY NEEDS & FOOD ALLERGIES

Our cooks at Shadow Rim take pride in meeting the needs of campers with special dietary needs (vegetarian, lactose-intolerant, etc.). Some special diets may require the camper to bring some of their own food to supplement camp meals. Although we cannot guarantee a nut-free environment, we can ensure that all meals served on camp are nut free. Please include your camper's dietary needs/food allergies on the Health History Form.

## MEALS AT SUMMER CAMP

---

Our meals at camp are prepared by experienced, professional cooking staff. We serve kid-friendly, healthy meals primarily made from scratch. Breakfast usually consists of a hot choice (pancakes, eggs, bacon, hashbrowns, etc.) as well as a self-serve cereal and fresh fruit buffet. For lunch we may have mini pizza muffins, hot dogs, chicken nuggets, etc. Dinner options may include spaghetti, chicken, hamburgers, tacos, etc. All meals can be prepared without meat and include vegetarian protein options. A salad bar with protein options is always available at lunch and dinner. Please note that the main courses listed here are examples, and may or may not be served during the camper's stay. Milk (and a nut-free milk alternative is available at every meal. Campers and encouraged to drink at least two glasses of water at each meal before drinking other beverages.

### SNACKS AND BRINGING FOOD

During the week sessions, snacks are served daily between lunch and dinner. For Weekend Family Camps, snacks will be served Friday night and Saturday afternoon. In order to reduce our encounters with pests, no

food is ever allowed in cabins or tents. **Please do not send or bring snacks to camp.** We strive to be a nut-free camp and can't ensure the safety of our campers when outside food and snacks are brought to camp.

## CAMPER MAIL & SOCIAL MEDIA

---

To ensure your camper gets mail, you may write a letter or letters and leave them with our staff when you drop your camper off. If you use the U.S. Postal Service, mail letters and packages before the start of camp to ensure delivery.

Make sure your mail is cheerful and positive. Ask questions about what she is doing at camp, but please don't tell her about all the great things she is missing or how much you miss her. This can lead to homesickness.

If you want to send a care package, we recommend sending stationery, puzzles, books, comics, pens, stickers, etc. Please do not send candy, food or soda. It attracts insects and wild animals, makes a mess, may contain allergens that could affect other campers' health, and can also create conflicts among bunk mates.

### HOW TO ADDRESS MAIL

Camp Name	Shadow Rim Ranch
Program Name and Date(s)	Week 4 – Big Sis/Lil Sis
Daughter's Name	Cami Camper

### CAMP STORIES & FACEBOOK

We do our best to post photos on our "Camp Shadow Rim Ranch" Facebook page each week. The Camp Shadow Rim page is a public page, and as such, we refrain from posting close-up photos of individual campers. We encourage you to follow our Facebook page to keep informed on about camp activities and events each week. **We cannot guarantee that every camper will be photographed.**

## UNIT PLACEMENT

---

The most frequently asked question is "Where will I live?" Unit living placements are finalized a day or two before the session begins and determined by total camp enrollment and numbers in each program. You will receive this information upon arrival.

During Resident Camp, most campers will live in cabins, sleeping 5 girls per cabin, with adjacent bathroom facilities in a separate building. Exceptions:

- » Some programs are hosted in our Primitive Unit tents. Tents sleep 3 to 6 girls. These programs will have access to nearby running water and restrooms.
- » Shadow Rim Ranch Counselor in Training (CIT III) participants will sleep in our Settlers unit cabins, with 4 other CIT III participants.
- » Weekend Family campers will be housed by family unit in individual cabins.

Mattresses are provided in all living units, except for the Primitive Unit.

During weekly residential camp, staff members live in cabins (or tents) adjacent to the girls in order to give both staff and campers privacy, and allow girls to learn cooperative living skills.

## DRESSING UP FOR “THEME WEEKS” – RESIDENT CAMP ONLY

---

Each week during residential camp, a different theme is selected that is relevant to the camper’s experience through all-camp and my-choice activities. # RESIDENT CAMP TRANSPORTATION & ARRIVAL/DEPARTURE INFORMATION

## GETTING TO CAMP BY BUS!

---

### RESERVATIONS MUST BE MADE IN ADVANCE.

Riding the bus to and from camp helps to use resources wisely and provides campers with an opportunity to share the excitement with other camps and to begin to make new friends. Campers who wish to ride the bus to camp must register and pay for bus transportation. Please contact the Registration Help Desk at 602-452-7030 to make a reservation. For detailed information on pricing, pick-up and drop-off locations and times, visit [girlscoutsaz.org/camp-bus](https://girlscoutsaz.org/camp-bus).

### WANT TO BE A BUS CHAPERONE?

Chaperones are needed for every bus ride to ensure safety of the girls and to help with other duties during the transportation to camp and from camp. It is a great way for you to get a reimbursement for your daughter bus fare. If you are interested, please sign-up at [bit.ly/bus-chaperone](https://bit.ly/bus-chaperone). Official Confirmation will be emailed the week before the trip.

## PARENT/GUARDIAN DROP OFF AT CAMP

---

### CHECK-IN AT CAMP SITE

Please do not plan to arrive early, as the staff will be preparing the site for campers. The gate opens promptly at 2:00 pm and closes at 3:30 pm. We cannot accommodate early drop-offs.

**PARKING** — Staff will direct you to back in at the parking lot and show you where to begin the check-in process. Shadow Rim Ranch does not have a large parking area. Please be patient as we try to squeeze the cars in. Once in the parking lot, please remember the following:

- » Leave all pets in the car.
- » Refrain from smoking on camp property.
- » Leave luggage in the car until after your camper has her health check.
- » In a zip-lock bag, please bring all your camper's medications, including emergency medications such as inhalers or epi-pens, vitamins and supplements, and prescription medications (all in the original containers) for check-in with the Health Supervisor.
- » Make sure your camper has her water bottle and is wearing close-toed shoes.
- » Parents/guardians will not be visiting camper living units and will need to be prepared to say goodbye once their camper meets her counselors.

### CHECK-IN PROCESS

There are several steps to the check-in process:

1. Check your camper in with camp staff at the designated check-in table.
  - » Camp staff will confirm that all your forms have been received. All camper information should be

- completed in the UltraCamp at least THREE weeks in advance of your camper's session.
- » Give camper mail to the staff at the check-in table.
2. Submit all medications to the Health Supervisor.
    - » Includes emergency medications, prescription and over the counter medications—all medications MUST BE in their original containers
  3. Camp staff conduct a health screening with camper (feet and head).
  4. Visit the Trading Post (camp store). Either add money to your camper's account OR check the accuracy of balance (if pre-paid online).
  5. Parent/guardian and camper return to vehicle to carry luggage to lodge and place luggage in the appropriate unit trailer.
  6. Camper and parent/guardian meet with the Unit Leader and camper joins her group.
  7. Bid your camper farewell.

## CHECK-OUT AND PICK-UP AT CAMP

---

The gate will open promptly at 2:00 pm and closes at 3:00 pm as staff will start cleaning and prepare for the next group.

**THE PERSON PICKING UP THE CAMPER WILL BE REQUIRED TO SHOW PHOTO IDENTIFICATION. There are no exceptions to this policy – even parents/guardians must show ID. This is for your child's protection.**

All authorized pickups must be listed in the UltraCamp system. If you know that you are not able to pick up your child and/or need to add an additional authorized person you must log into your UltraCamp account and add that person's name and contact information. Please contact camp as well.

- » **LUGGAGE PICK UP** — Camper luggage will be sorted by session. Please take time to find ALL your camper's luggage including laundry bag, sleeping bag, pillow, stuffed animal, etc. Your camper's luggage may have expanded while at camp. Check the luggage pile thoroughly. It's much easier to take the time now than pick-up lost & found items later.
- » **MEETING COUNSELORS** — Feel free to take a few minutes and meet the staff who worked with your camper. They'll be happy to meet and discuss your camper's stay.
- » **EARLY PICK UP** — If early pick up on check-out day is necessary, please plan to pick your camper up by 11am. Pickup between 11AM and 2PM on check-out date is not possible. Simply indicate the time and date during the registration process and notify the camp staff at check-in.
- » **LATE PICK UP** — It is NOT possible to make arrangements for someone to stay with your camper beyond the pick up time at camp. She will be excited to see you and share her camp experience. This is also the beginning of staff meetings and preparation for the next group of campers.
- » **MEDICATIONS** — Remember to pick up your camper's medication from the Health Supervisor.
- » **TRADING POST** — The Trading Post will be open on check-out day to purchase items.

## LATE ARRIVALS AND EARLY DEPARTURES

---

If your camper will be arriving late, you will need to contact the camp office prior to arrival. Please report to the camp office upon arrival.

If your camper needs to leave early for any reason, notify the camp office during check-in.

For your camper's safety, our gate remains closed during our camp session; without prior notification, you will not be able to enter the property. You will need to report to the camp office to pick up your camper.
