# CAMPERS COMPLETING 4th and 5TH GRADES JOIN US FOR A FREE OVERNIGHT PROGRAM!

When: Every Thursday Night

Packing List: on the reverse

Drop your camper off at camp or the bus stop on Thursday morning and pick them up at camp or the bus stop on Friday afternoon. (You are still welcome to join us for Family Night on Thursday evening.)

Who: All campers completing 4th or 5th

**What:** Campers can spend the night at Becket Day Camp and sleep in a tent! After participating in Family Night with a great cook-out dinner, skits and songs, join your fellow campers and counselors for an evening hike in the woods. Sleep in tent on one of the Day Camp fields and enjoy a healthy breakfast before another full day of camp activities.

**Rain Plan:** If Family Night is cancelled due to bad weather, the overnight is also cancelled. We will hold the overnight if the forecast calls for just rain (not thunderstorms). The barn and bunkhouse are available if more substantial shelter is needed urgently during the night.

**Medications**: Our Nurse will coordinate dinner, bedtime and breakfast medications with our staff. Please let us know if your child takes medications and send doses in their original containers for both Thursday and Friday.

**Behavioral Issues:** We reserve the right to decline campers who have had discipline issues earlier in the week, or the summer. If issues arise during the night, we will call a parent/guardian to pick up the child.
