

ICEP PERU PACKING LIST

Becket-Chimney Corners YMCA

The weather in Peru will be cool with colder temperatures at higher elevations. Remember, it will be winter in Peru. It is more effective to appropriately layer clothing than to bring a lot of bulky clothes. Bring clothing that can get extremely dirty, as service projects often involve working with paint or cement. The Peruvian dress code is relaxed, so what you are comfortable wearing in colder weather at home will work well on the trip. Please only bring what is on the packing list.
