Travel and Service Programs – Health Memo

ICEP Spain

About the Program

This is a new partnership with the YMCA of Spain. The YMCA of Spain has a strong camping tradition and they are offering us an opportunity to participate in their Global Leaders Camp which will take place at Camp Salduero, located 3 hours north of Madrid. The goal of the camp is to connect teens ages 14-17 from all over the world to learn global citizenship and leadership skills in a global camp setting.

The group will also spend time in Madrid learning about the Spanish culture and participating in several social service projects offered by the YMCA of Spain.
