COVID-19:

The Board of Directors of Camp Y.I. has adopted our current COVID-19 policies in accordance with CDC, ACA, ACN, and local health department recommendations for high transmission areas.

We recommend all our campers, families, and staff follow CDC guidelines to reduce the risk of exposure to Coronavirus/COVID-19 prior to coming to camp. Including engaging in a 2-week pre-arrival quarantine that includes physical distancing from others, wearing a mask, and avoiding crowds and unnecessary travel.

By signing your camper up for our programming, you acknowledge the contagious nature of the Coronavirus/COVID-19 and that the CDC and many other health authorities still recommend social distancing. You further acknowledge that Camp YI Youth Incorporated has reminded you of some preventative measures to reduce the spread of the Coronavirus/COVID-19. You further acknowledge that Camp YI Youth Incorporated cannot guarantee that infection with Coronavirus/COVID19 will not occur. You understand the risk of becoming exposed to and/or infected by the Coronavirus/COVID-19 may result from the actions, omissions, or negligence of self and others, including, but not limited to campers, camp staff, other camp visitors and their families. You voluntarily seek services provided by Camp YI Youth Incorporated and acknowledge the risk of exposure to the Coronavirus/COVID-19. Compliance with all set procedures to reduce the spread of Coronavirus/COVID-19 is mandatory to all staff, volunteers, campers, and families.

At this time:

- All campers and staff members are required to be fully vaccinated and up-to-date, and upload proof of vaccination maximum 14 days prior to their session
- All campers and staff members must show proof of negative COVID-19 test taken maximum 48 hours prior to arrival at camp
- Campers and staff may choose to wear a mask

Upon check-in all campers are screened by our health center staff. Campers and staff will be temperature checked and health screened for Coronavirus/COVID-19 symptoms daily while at camp. Please do not send your camper to camp if they are experiencing any symptoms of illness such as cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, sore throat, or new loss of taste or smell, have been exposed to someone suspected and/or confirmed Coronavirus/COVID-19, or diagnosed self and not yet cleared by state or local public health authorities.

Camp YI does not offer COVID-19 testing to their campers or staff. If a camper becomes ill at camp, we will follow health department recommendations. These include quarantining the camper and contact the adult on file for immediate pickup.
