

QUEST CAMP PARENT POINT SHEET

20 POINT MAXIMUM PER DAY

Parents- Your child can earn a maximum of 20 points/day based on behavior. List specific goals below. They can be the same or different from our camp goals. Each day is split for AM and PM. Split points according to the most difficult times. If mornings are difficult, use 15 points for this time and 5 points for after camp. If afternoons are more difficult, use more points for this time. Each week, cut the strip and send them to camp for Store. Make sure your children have these since they will be upset if everyone else has these additional points.
