

Nebraska Game & Parks and Carol Joy Holling Camp are excited to have you out for the

Becoming an Outdoor Family Retreat!

Check-in will take place at **9:00am on Saturday, September 23rd** at The Springs. Signs will be placed throughout camp to direct you to this location.

During this retreat we will be having lots of fun with the whole family and learning more about outdoor recreation by participating in activities such as: outdoor cooking, fishing, geocaching, nature walks, kayaking, aquatic ecology, archery, and shooting sports! Most of our time will be spent outdoors so be sure to pack according to the weather.

Our retreat will conclude at **3:00pm on Sunday, September 24th** at the Platte River State Park.

A few important notes:

If you have not filled out a **health form** for each member of your family, please do so prior to Saturday's check-in. There is a separate health form for youth and adults. The health form can be found on your UltraCamp account. Also due prior to check-in, if not already paid, is your **registration fee**. This can also be accessed through your UltraCamp account.

You will find a **schedule** and **driving directions** on the back side of the attached "2017 BOH Carol Joy Holling Brochure," as well as some further details regarding what you can expect out of the activities you will do during this retreat.

Please bring the following items with you:

- Camp chairs/bag chairs
