

# Education for Staff & Campers - Covid-19

Prepared by Nurse Wendy Barber  
For Summer Programs 2020

The Nurses and Administrators will monitor **recommendations** from local, state, and national **entities and update the policy as needed**. If it is prudent, student, faculty, and staff daily attendance will be monitored and evaluated.

The Nurses will **regularly** provide the following educational components to **families and employees** in order to help prevent the spread of Covid-19:

- **Online pop-up alerts (website, social media, and campus server sign-on, etc.) with list of basic screening criteria & risk assessment, plus link to current policy**
- **Signage at campus entry points listing basic screening criteria & self-risk assessment with link to current policy**
- **Importance of daily, community self-screening and adherence to the policy**
- Proper hand washing technique
- Reminders to avoid touching the nose, mouth and eyes
- Hand sanitizing expectations and technique
- Proper ways to cover cough and sneeze
- Cleaning and disinfection best practice
- Avoidance of sharing personal items

**Great handwashing video to show or teach from:**
