

Upload ID #1

In order to be employed by Camp Sealth, you must provide two forms of identification. All forms of ID must be unexpired.

- One form of ID provides proof of identity (Photo ID)
- One form of ID provides proof of eligibility for employment – proof of U.S. citizenship or a document which allows for U.S. employment

Please note: You must upload a copy of this document and also bring it with you to check in at camp.

Please note: If you are an international staff member, your two forms of ID will be your passport and your visa.

Please note: Some forms of ID (such as a passport) count for both ID #1 and ID #2.

For a full list of acceptable documents, see the separate document listed in the Document Center on your UltraCamp account.
