PACKING GUIDELINES for Family Camps

Camp Concordia is anticipating state guidelines in order to operate in 2021.

We recommend two bags. A suitcase (no higher than 11 inches) for clothing and a stuff sack or large duffel bag for you and your child's sleeping bag and pillow. Loose items make it difficult for you to track.

- For 2021, the Luggage needs to fit under the bed. The opening under the bunks is 11" high. In 2021, campers will need to store all items neatly in a suitcase under the beds.
When getting luggage, bedding and sleeping bags out of storage, please vacuum and clean with soap and water.
A "stuff" bag or duffel bag for your child's bag and pillow is a must. A rolled sleeping bag always comes unraveled when walking through camp. Your child's pillow also needs to be stored in this bag.
Place toiletries in a type of plastic bag or kit to make it easy to travel to the showers. Please practice with your child how to rinse and store their toothbrush IN THE PLASTIC BAG/KIT.
Make sure your child's name is on all items.
Pack together. Then you will all know where everything is located.
Include an extra trash bag for dirty laundry.
Remember - this is a Family Camp and adults will be in charge of safely storing and distributing any medications! Do NOT leave medications lying out in cabins.
