The Family Camp Ethos

Family Camp programs at Concordia provide opportunities for quality family time and connection with other like-minded families. Though activities are scheduled and available, everything is optional. We only ask that families communicate if they will not be taking part in a meal. Parents should understand that they are fully responsible for the supervision and safety of their children unless specifically stated otherwise.

Camp is full of adventure — which means personal items may encounter dirt, moisture, insects, and normal camp use. Please plan accordingly, as Camp Concordia cannot be responsible for lost or damaged personal belongings. Lost & Found items can be picked up by coordinating with camp staff. Any items remaining after November 1 will become the property of Camp Concordia.

Look for additional check-in instructions & schedule in your email a week before arrival.

All food must be clearly labeled and handed to staff at check-in. Campers should be prepared to manage substitutions on their own with assistance from their cabin leader.

Blue Canoe / Camp Store

Campers visit the Blue Canoe twice each day to purchase snacks, drinks, and camp merchandise. Money may be added to the camper's Blue Canoe account by credit/debit card during registration or via UltraCamp prior to arrival; or by cash/check at check-in (place in an envelope with camper's name). Recommended spending money is \$10/day. Remaining balance may be collected after check-out.

Additional snacks may be sent from home and given to staff at check-in for campers to have during Blue Canoe time. All snacks **MUST** be packaged in a 1-gallon zip-lock bag with the camper's name written on it. Limit 1 bag per camper.

Mail

Camper mail is delivered during Blue Canoe each day, except departure day. To send mail to your camper:

Email a Camper through UltraCamp

Send Mail - USPS generally delivers to camp late in the afternoon.
