

Holiday Home Camp (HHC), founded in 1887, is one of the oldest children's camps in America. We are run by the Lake Geneva Fresh Air Association and are accredited by the American Camp Association. We provide educational and recreational experiences primarily to youth from underserved communities. We focus all camp programming around our three values: Respect, Responsibility, & Relationships.

### SUMMER CAMP

Our summer camp program provides children entering 2nd through 8th grade with a positive, fresh air, camp experience. Our programming helps foster life skills by participating in traditional camp activities such as swimming, boating, arts & crafts, archery, ball sports, outdoor education, and much more! While participating in these activities campers gain confidence, responsibility, communication skills, positive sportsmanship, and respect for themselves, others, and their environment.

### ELITE TEEN PROGRAM

HHC run a year-round leadership training program for youth entering 9th through 12th grade. The program is designed to help teens discover their strengths and enhance their leadership skills by challenging them to try a wide variety of service opportunities, cultural events, and educational experiences. The ELITEs are positive role models who participate in one session during the summer camp season, volunteer as counselors in training throughout the summer, and meet monthly throughout the school year.

## Paying for Camp

We believe that every child deserves a fresh air camp experience. Therefore, **NO** child will be turned away due to the inability to pay. We provide several unique scholarships that your camper may be eligible for. Upon receiving your paperwork, the Camp Registrar will align your camper(s) with the proper scholarship. Registration fees vary based on scholarships with the maximum being \$50. This fee is nonrefundable and is due prior to your camp arrival. You will be notified of your registration fee amount. Payment plans are available for camp fees!

## We provide transportation!

Transportation is by bus or camp van. Please be on time when dropping off and picking up your camper. When picking up your camper, have a photo ID ready to present to HHC staff. Campers will only be released to authorized individuals with a photo ID.

## Camp Store Money

All campers get a chance to visit our camp store! We recommend sending your camper with between \$5 and \$30. Camp Store money will be collected for safekeeping by camp staff at drop-off. Leftover camp store money will be donated to the camp scholarship fund.

## If your camper is struggling at camp...

We work with each camper to promote success at camp. To ensure a good camp experience for all, any camper whose behavior is considered unruly by leadership staff will have their guardians notified and may be sent home in extreme cases. If a camper is sent home, it is the parents/guardian's responsibility to pick up from camp property within 4 hours of notification. Failure to do so could result in the Camp Director contacting social services.

## Healthcare

All HHC staff are certified in First Aid and CPR. We have a full-time Health Care Coordinator and an on-call Registered Nurse and Doctor. There is no charge for minor medical attention on camp property. In the event of severe illness or injury, parents/guardians will be notified immediately and insurance information will be passed on to the medical facility. Campers who take medication will turn them all in to HHC staff at the time of drop off. All meds must be listed during the registration process and arrive in original bottles with the child's name on. The Health Care Coordinator will administer medication as it is listed on the bottle. If a camper arrives at camp without proper medication, they may be sent home.
