

WORRY FREE REGISTRATION

Registering for camp shouldn't cause you to wonder, "What if something happens and my child can't make it, do I lose my deposit?" The answer is NO.

We have dropped our registration deposit to only \$50, and if you need to cancel for any reason this amount will be returned to you in the form of a Cran-Hill Ranch Voucher - good for ANYTHING at Cran-Hill Ranch. You can use it for another child at camp, RV reservations, one of our year-round retreats, or even ice-cream at the Store.

Your camp balance is due 1 month prior to camp.

*Applies to IGNITE, FUEL and MOMENTUM camps only

Each Camper will qualify for one discount. If a child or household qualifies for multiple discounts, the best discount will be applied.

MULTIPLE CHILD OR MULTIPLE WEEK DISCOUNT*

For families with multiple campers attending, or one camper attending multiple sessions, we offer a multi-child discount. The more campers you send, the more you save.

Each Additional Child - \$50 Discount

REFER-A-FRIEND DISCOUNT*

For each NEW camper that you invite to Cran-Hill Ranch, we will give you a \$50 discount.

Referrals must be campers outside your immediate family, and new to Cran-Hill. They can come to camp during any week of the summer.

Discounts will be given off the portion of the camp fee being paid by the camper family, and will be processed in August once everyone has attended camp.

FILL-A-CABIN DISCOUNT*

Bring a group of ten or more, and get \$10 off each camper's registration. Only Applies to overnight camps. Must register by February 1, 2018.

BUNK MATES

We guarantee all bunk mate requests where 2 campers list each other on their registration.

Older campers will always be moved to a younger age group to accommodate their bunk mate requests.

We do our best to accommodate 'circular' bunk mate requests, but reserve the right to limit how many bunk mates are in the same cabin to avoid having campers left out.

In cabins where there are campers without a Bunk Mate request - there will ALWAYS be at least 2 (or usually many more) who have not listed a Bunk Mate.
