OWLS/Holiday Home Camp Directions & Map

Please note:

- The entrance to HHC does not have a street address posted and it does not work to find us by following the #s posted on nearby properties (we are on the line between two communities so property #s do not run consecutively).
- Certain GPS units and Google maps/Mapquest will not properly indicate our location. For your GPS device, the coordinates are N42 33.988 W088 33.902.
