Questions Now?

E-mail us at MailForDirectors@farwell.com or call us at 802-429-2244

Welcome to Camp Farwell! We have compiled this **Family Handbook** to help parents prepare for their daughter's stay with us at Farwell this summer. We hope that it will answer all your questions. However, if we can be of any further assistance, please feel welcome to contact us.

When Should We Arrive At Camp?

Arrival For the Session!

We have staggered arrival times due to limited parking.

1. For Sessions beginning **June 29th (Seven Week Session, Four Week Session, 3 Week Session A and Two Week Session A)** arrival times are 9:00AM-10:00AM for campers entering grades 7 and higher. Campers entering grades 6 and below are asked to arrive between 10:00AM and 11:00AM.
2. For **July 13th (Two Week Session B)** arrival time is 10:30AM-12:00PM
3. **Rookie Week A (July 20th)** arrival time is 10:30AM-12:00PM
4. For sessions beginning **July 27th (Three Week Session B and Two Week Session C)** arrival times are 9:00AM -10:00 AM for grades 7 and up and 10:00AM - 11:00AM for grades 6 and below
5. **Rookie Week B (August 10th)** arrival time is 10:30 AM-12:00 PM

Parking attendants will direct you where to park and unload your camper's belongings. Should there be any changes that would affect the arrival day or time, we will email you and/or call you.

All camp sessions begin on Sunday. We request that campers do not arrive before the scheduled opening date, however, for those campers who must arrive a day early, there is **an extra charge of \$375 per day**. PLEASE CONTACT MARLEY/RACHEL.

Arrival Time For Pickup/Departure for the Session

1. For Two Week A (July 12th) pick up times are between 9:00AM-10:00AM

How Do I Keep In Touch With My Daughter?

We feel the old-fashioned way is best! Kids love to receive mail. In fact, it is a great idea to send a letter early so that she will have a letter waiting for her on Monday morning.

Our mailing address is Camp Farwell, P.O. Box 300, Newbury, VT, 05051.

Our shipping address is 421 Camp Farwell Drive, Newbury VT 05051. Use the shipping address for all ground shipping including Amazon, UPS, Fed-Ex.

Please include your daughter's cabin name when corresponding with her. Please note the mail will still get to her if you send it before knowing her cabin name.

If you have a summer address that is different from your permanent address, please notify the Directors of that address and telephone number, along with the exact dates you will be there.

You may also email your camper through UltraCamp.

What About Phone Calls?

The Farwell telephone number is 802-429-2244. **We ask that parents wait one full week before speaking with their daughter** on the telephone to allow time for her adjustment to camp life.

2025 Phone Policy

Beginning with a camper's second week, she will be assigned a day and time to call home for a five minute chat. Families will be informed of this day/time via email once camp starts.

Upon reflection of feedback we have received from campers, parents and staff and in order to provide your daughter with the best camp experience, Sundays will be a catch up phone day. Any campers who are unable to speak with home on their scheduled day can call out on a Sunday instead. We are committed to our scheduled phone calls for our campers to call home during the week. **Parents/Guardians should not call camp on Sundays to speak with their camper(s).**

The only exception to this policy is when a camper or family member has a birthday, or a very special occasion. Of course you can always call if you would like to speak with a Director and you can check in with Marley and Rachel via call or text anytime too.

Do You Post Photos Online?

Yes! Hundreds of photos were posted last summer on Marley Farwell Hanson's facebook profile. For 2025 we are moving our summer online photos to the SmugMug platform. Every enrolled family will be sent an email with the information on how to access these photos and the required password. Find us at **campfarwell.smugmug.com**. We are also active on Instagram throughout the summer – follow us [@campfarwell](https://www.instagram.com/campfarwell).

Does My Daughter Need Spending Money, and Do You Have a Camp Store?

All camp activities, field trips, and the Camp Store are funded through the tuition fee.

However, most families do send extra spending money for their daughter. We recommend an average of \$15.00 per week for personal spending money. We will have one trip out of camp each session to Whales Tale waterpark. This trip will be for campers attending the 4 Week, 3 Week A and 3 Week B sessions. Our CITs have an additional trip out of camp.

Our Camp Store stocks replaceable items such as soap, shampoo, toothpaste, etc., and are given to campers at no charge. More expensive items such as stamps, disposable cameras, water bottles, fidget spinners, stationary supplies and batteries are not stocked. Therefore, campers should bring with them an adequate supply of items of this type. Each camper will also need a white swim cap - these can be purchased at camp for \$6 so be sure to send this in addition to any spending money for your camper.

May I Send My Daughter Food?

No. Food allergies and sensitivities are a real concern and in some cases life threatening. Therefore, we ask that no food or beverage be brought or sent to Camp. Chewing gum, also, is not permitted.

We serve three substantial meals a day and also have a morning and afternoon snack break. In addition, campers who take part in our culinary arts program get to enjoy their creations.

Packages of food sent to campers will not be delivered, returned or saved. If a food package does arrive it will be donated to the local food shelf.

Campers are not to bring any type of food to Camp. Thank you for helping us keep a safe environment for all of our campers and staff.

Can We Visit Camp?

If they would like to, we encourage families to schedule a tour before the start of their session.

She Needs a Physical Exam, Right?

Yes! She must have had a physical examination within **24 months** of attendance. Health Forms can be downloaded from our website by logging into your Ultra Camp account or emailing Marley/Rachel. The signed forms must be completed by June 1st. Please be sure the forms are completely filled out, including date of last tetanus shot and the Parents' Authorization section. Please be sure to sign the Parent's Authorization section. This allows us to treat your daughter in a medical emergency. Parents will be notified if campers need to see a physician while at camp. *There are two health forms: the Health Exam form is the physical filled in by the camper's physician (we can also accept copies of school health forms as long as they are dated within 24 months of attendance at camp). The Health History form is filled in within UltraCamp by the parent/guardian.*

Medication: Any medication that will be brought to camp: we must have a physician's orders to dispense medication. All medications **must be in the original container** (do not send medication in a weekly pill organiser).

2025 first-time campers: you must send us a copy of your daughter's covid vaccine card/certificate or provide a list of current vaccines showing the covid vaccine. Photos/scans can be sent to forms@farwell.com. Please see our covid policy on page 19 for more details.

Can We Purchase Farwell Clothing?

Yes. We have no uniform, and Farwell Clothing is optional. Visit our [online camp store](#) to place an order for the whole family. You can even have this shipped to camp.

How Do I Get My Daughter's Belongings to Camp?

Most families bring their daughter's belongings with them on opening day. However, UPS, FedEx, and private trucking companies will ship these items if needed. Contact them directly for size and weight restrictions.

Duffle bags may be sent anytime after June 10th. All bags should have camper's name on it: Camper Name, Camp Farwell, 421 Camp Farwell Drive, Newbury, VT 05051. Please do not send trunks. We have bureaus in all cabins and no floor space for trunks. Each camper will have two large and one small drawers.

All campers travelling by plane on a domestic flight must ship their belongings and all luggage prior to the camp session.

Farwell is not responsible for campers' equipment or personal belongings while in transit, or at Camp if lost, damaged by fire, theft, laundry, etc.

Swimming?

We have an elective activity program with the exception of swimming for non-swimmers. We require beginner swimmers to take swimming lessons.

How Do You Group Campers In Their Activities?

Some of our activities, such as riding, tennis, and swimming are grouped by skill level. Campers with similar skills are taught together. We offer a Red Cross structured swimming program, and again, campers of similar skills are grouped together. When we initially evaluate a camper's ability, we do our best to ensure the camper is in the proper level. If we are at all unsure of a camper's ability, or if a camper seems to lack confidence in her skills, we will place her in a lower level to ensure her safety. A camper may be moved up or down at any time the camper and instructor feel it is needed or deserved.

Other activities may have a random grouping or be grouped by age.

Will My Daughter Watch Television?

Monday night is usually movie night at Camp Farwell. Campers offer suggestions for the evening's showing. Two movies are shown. Movies are selected in regard to the age and maturity of the campers. Campers are on the honor system in regard to the movie's rating. Saturday and Sunday mornings are our "sleep-in" days. We also offer a video for our early risers.

Other than movies and instructional videos, there is no television.

Can My Daughter Bring her Cell Phone?

No. Campers should leave their cell phones and other expensive electronic devices at home. If campers who fly to and/or from Farwell must bring phones, we will keep them safe in our Lodge Office.

Should We Tip Our Daughter's Counselor?

Tipping is against policy. However, we certainly do encourage you to express your appreciation for a "job well done", either when you are visiting at the Camp or in the form of a thank-you note.

Flying to Farwell?

Domestic Flights

Flights will be met at Logan Airport in Boston by a Farwell staff member. The dates of these flights to Camp should be Saturday, June 28th, July 12th, or July 26th, which are the **days before** the sessions officially begin. Flights home are on Saturday July 12th, July 19th, July

26th, August 9th, or Friday, August 15th. We have many campers arriving by air, and arrival times must be coordinated with Marley to ensure that all campers will be met by our staff. Arrival at Logan should be between Noon - 4:00 pm and all departing flights should leave between Noon and 4:00 pm if possible. **We require that all flight arrangements be approved by us before you finalize them. Email Marley@farwell.com**

The transportation fee between Logan Airport and Camp Farwell is \$175 each way.

***** ALL CAMPERS ON A DOMESTIC FLIGHT MUST SHIP ALL OF THEIR LUGGAGE PRIOR TO THE CAMP SESSION. *****

****VERY IMPORTANT****

All Campers on domestic flights to or from Farwell can only bring backpacks or small travel bags that will fit comfortably on their lap during the van ride.

International Flights

Campers flying to Farwell from outside the United States **must** make their travel arrangements in conjunction with the Camp. Please email us with your flight itinerary **before** you finalize the arrangements. This will ensure that the camper will be met at the airport upon arrival by one of our staff members. Arriving flights will be met at Logan Airport in Boston, Massachusetts. All flights should **arrive the day before** the session of attendance. The cost of transportation between Logan and Camp Farwell is included in the International fee. Email marley@farwell.com with flight itinerary.

SPECIAL NOTES FOR AIR TRAVELERS:

✂ Passports and travel documents will be collected at Camp and kept safe until departure date.

✂ ALL AIR TRAVELERS, BOTH DOMESTIC AND INTERNATIONAL, ARE TO FLY ON SATURDAY, THE DAY BEFORE THE SESSION ACTUALLY BEGINS. There is no charge for the extra day (air travelers only).

✂ Travel between the Logan Airport and Camp will be by camp van and/or the Dartmouth Coach. All coach and van transportation will be supervised by Farwell staff members, and campers will be expected to follow our safety rules, eg. wearing seatbelts, and to follow all directions issued by our staff.

✂ All return flights should be scheduled for Saturday, the last day of the session. Or Friday, August 15th the last day of our camping program.

✂ It is recommended that campers on domestic flights be given \$30.00 for any personal expenses they may have, and \$50.00 for campers flying to and from Farwell on an international flight.

*****Important*****

Arranging travel for our many campers coming from varied destinations is a difficult task. We build extra time into the schedule to allow for delays of both traffic and flights, however in case of a noteworthy change we will attempt to contact you via telephone or email and/or text message and keep you updated to any changing plans. We will notify you when your daughter has arrived at camp (via call/email/text)

Help! I'm Starting to Pack. What Does My Daughter Need To Bring?

Below is a suggested list of clothing and items for your daughter to bring to Camp. When packing, remember that campers have their laundry done once each week. Campers should pack clothing that is suitable for outdoor activities. Any new clothing must be pre-washed. Keep in mind that Vermont's mountain air is typically cooler than what might be expected. Night time temperatures occasionally dip into the 40's, with daytime temperatures ranging from the 60's to the 80's. Therefore, you may wish to pack some warmer clothing to supplement the usual summer wardrobe.

- We **require that all articles of clothing have the camper's name** on them.
- Laundry is done once a week. Pack enough clothing for at least 8 days.
- Camp colors are blue and white. A shirt of each color is helpful
- Linens are provided for **international campers**
- Any item brought to camp which may cause safety concerns will be subject to our policy regarding storage and usage or sent home.
 - If dogs visit on arrival or pickup days, they must be always kept on a leash.

Riding Program

Farwell offers a wonderful riding program that is geared to campers of all ages and ability levels, as well as varying degrees of interest. For many campers, riding is just one of many activities they participate in each day. However, for campers with a keener interest in riding, they have the option to participate in more than one period of riding as well as other activities offered by the Barn. And for those "horse-crazy" campers who are absolutely passionate about riding and horses, they can elect to spend their full day up at the Barn involved in both riding and other horse related activities. Farwell's Riding Program is structured to meet the interests and needs of all its campers.

The Levels: Our four main groups of riding abilities are Cougar, Jaguar, Tiger and Lion. Each of these is further broken into two or three levels. Campers have the opportunity to pass their levels and move on to the next level each week, or sooner if indicated. Each level is mastered by accomplishing specific objectives. However, the goal of the Riding Program is to help campers develop not only good skills, but also the confidence to go along with their new skills. As campers move from one level of our program to another, it is important that not only the riding staff feels the camper is ready to move on to that next level, but even more important that the camper herself feels comfortable and confident as well.

Evaluation: On the first day of a camper's arrival she will be evaluated on her riding ability. This is a short evaluation used to group our campers according to skill level so that we can begin with the activity program the following day. Adjustments to this placement can be made if warranted. For example, a camper may be nervous during the evaluation and not

perform to her best and perhaps should be riding in a different level. Evaluation is a constant process.

Campers are placed in the level that will improve the skills that they need to practice. If there are gaps in her training, she will be placed in the level where that particular skill is taught. For example, perhaps she is allowed to canter at her home barn but does not show the ability to consistently post on the correct diagonal. In this instance she would be placed in Jaguar I until mastery of that skill is demonstrated, then move on to Jaguar II.

Safety

Another emphasis of our program is on safety. A camper will never be asked to do something that is beyond her, or our level of comfort and safety. Occasionally a camper will feel that she is capable of more because she does more at her home barn. This may be true, but there is a difference between riding the same horse each lesson at home and riding different horses here at Camp. Each horse is different. They have their own personalities and ways of moving. They also have good and bad days just like people. There are two kinds of riders: those who have fallen off and those who are going to fall off. While we do our best to minimize these instances, it is inevitable that campers will fall from a horse while learning to ride. Safety helmets and boots are worn by all riders all of the time. All of our counselors are specialists in riding, and campers are always supervised by the riding staff when they are at the Barn.

Camp Farwell Camper Agreement

Camp Farwell is a summer community for its campers and staff. Each person is respected for their individuality and our differences are celebrated. To maintain this warm and nurturing environment we have some basic rules and guidelines for our campers to follow. You will find them listed below. Please read them with your camper

1. Use or possession of alcohol, tobacco, illegal drugs or other controlled substances is prohibited at all times during the camp season. Violation of this policy will result in being sent home immediately without a refund.
2. Physical violence, verbal abuse, and intimidation are inappropriate and not permitted (no bullying). Relational Aggression such as belittling others for the way they look, dress, act or speak should be replaced with tolerance, goodwill and generosity. At Farwell we want to learn about and celebrate our differences.
3. Campers may not leave camp property without a staff person. Violation of this policy will result in being sent home immediately without a refund.
4. Any form of vandalism, including graffiti, is inappropriate and not tolerated. Camper families may be charged for any repairs or refurbishment needed.
5. Sexual harassment and intimidation, whether verbal or physical, are not permitted.
6. Displays of racial, sexual or religious discrimination are not permitted.
7. Valuables (phones, passports, cash, etc.) must be kept in the camp office. Camp Farwell will not be responsible for any lost or damaged personal property kept in your possession.
8. Waterfront rules must be understood and followed by everyone. For safety reasons non-swimmers (and those we evaluate as weak swimmers) must take swimming lessons.
9. The horse and barn rules must be understood and followed by everyone.
10. Open flames of any kind are not permitted unless under the direct supervision of a staff member. Violation of this policy will result in being sent home immediately without a refund.
11. All medication (prescription or non-prescription) must be kept in the Wellness Center at all times. Exceptions can be made for inhalers and epi-pens if needed.
12. No food, beverage, candy or gum is to be brought into camp or received via any means other than from Camp Farwell. No food, beverage, candy or gum is permitted in the cabin area.

13. Campers are expected to be in their designated activity at the proper times.

14. Cell phones, digital cameras and internet devices are not permitted.

15. Campers are not permitted to bring pets, vehicles or weapons of any kind.

The Directors reserve the right to dismiss with no refund any camper whose influence or actions are deemed harmful, or who violates the rules and policies of the camp. The camper and family are responsible for picking up and transporting the camper home within 24 hours of notification.

CAMP FARWELL'S TECHNOLOGY POLICIES

Cell Phones

We have a “no cell phone” policy at camp. When children come to camp they—and you—are making a leap of faith, temporarily transferring their primary care from you as their parents to us and their counselors. This is one of the growth-producing aspects of camp. As children learn to trust our caring adults, they grow and learn, little by little, to solve some of their own challenges. We believe this emerging independence is one of the greatest benefits of camp. It is one important way your child develops greater resilience. Contacting you by phone essentially means they have not made this transition. It prevents us from getting to problems that may arise and addressing them quickly. Sending a cell phone to camp is like saying to your child that you as the parent may not have truly come to peace with the notion of them being away from you and in our care.

Having said the above, we still have one of the most liberal phone policies in the camping profession. We ask campers to not use our phones during the first week of their stay at Camp to allow for the development of trust and support. After the first week Farwell campers are allowed to call home on camp provided cell phones.

We agree to tell you if your child is experiencing a challenge in their adjustment to camp. You can help by talking with your child before they leave for camp and telling them that there is always someone they can reach out to, whether it be their counselor, a trusted activity leader, the Camper Advocate, a Director or the Camp Nurse. We are all here to help.

Digital Photographs

Another drawback of having cell phones at camp is the built-in digital cameras. It has happened at some camps around the country that children have secretly taken photographs of other campers or staff during changing or showering times and later uploaded those images onto the Internet. To lessen the possibility of this happening we have decided to not allow all digital cameras and suggest that if your child wants pictures from camp, that they

bring a disposable film camera or an instant print camera such as a Fujifilm Instax or the Polaroid Snap. We take photographs during the summer, which are available for viewing on-line. Please help us maintain a safe environment at Farwell by discussing this with your child. You should know that any camper that takes a compromising photograph of another camper or staff member and uploads it on the Internet or makes it public in any way may be subject to dismissal from camp or may not be allowed to return. If the law is broken, the appropriate authorities will be notified.

Camp Farwell Goals and Outcomes

Camp Farwell is a traditional private residential summer camp for girls. We are a 24-hour-a-day Vermont outdoor adventure founded in 1889 for the benefits and joys of girlhood. It is an experience in which girls learn to live away from home, care for themselves, think for themselves, work and play with their peers, develop relationships, and use skills that differ from those used at home and school.

We provide a physical environment which girls learn to appreciate for its natural beauty. We live rustically yet comfortably in log cabins and our meals are hearty, plentiful and geared toward children. Our non-competitive, family-type environment provides a sense of security where girls can meet challenges and ensures that recognition is given for achievements.

The following are **some** goals of Camp Farwell. They have evolved from our philosophy and determine the principles from which our policies and objectives are drawn.

GOAL: To extend the recreational and educational benefits of out-of-doors living to its campers.

- A. The campers will live in simple log structured cabins in a wooded pine grove.
- B. Each camper will participate in outdoor activities from a completely elective curriculum.

GOAL: To develop the skills of group living through the experience of camping.

- A. Campers will live in groups of like ages, with 4-6 campers and at least one counselor.
- B. Campers will participate in small camper groups to discuss/resolve any concerns/problems that arise.

GOAL: To develop skills in conflict resolution.

- A. Each camper cabin will design a cabin agreement
- B. Campers will practice and participate in mediated conflict disputes with a staff member.
- C. Campers will mediate their own conflicts with staff supervision.

GOAL: To enhance and encourage positive social and emotional growth and development.

- A. Each camper will live away from the security and support of her home.
- B. Each camper will elect her own activity program.
- C. Each camper will commit herself to that program for one week.
- D. Each camper will partake in activities populated with campers of differing age groups and cultures.

E. Each camper will cooperate with her cabin group to accomplish the cabin's responsibilities.

F. Each camper will participate in an activity with which she is unfamiliar.

2025 Camp Farwell Covid-19 Policy

Camp Farwell's health care policies are based on the advice of national healthcare organizations as well as the [American Camp Association](#), Vermont Camp Association, The Alliance of Camp Health and our own medical team. As always, the safety of our community is our number one priority.

1. COVID Vaccination Requirement: We require all campers and staff to have received a full round of the COVID vaccine (2 shots of Pfizer/Moderna/Biotech or 1 shot of Johnson&Johnson). This collective effort not only allows us to operate a normal camp but also ensures the safety and well-being of everyone at Farwell. Your commitment to this requirement greatly contributes to the overall success of our community.

2. On-site COVID Testing: While we don't plan to conduct routine COVID testing at camp, we will remain vigilant. If any camper or staff member exhibits symptoms, we may administer a COVID test. This approach has been successful in maintaining the health and safety of our camp community.

3. Mask Policy for Illness: In the event that a camper or staff member feels unwell during their time at camp, we kindly ask them to wear a mask when indoors and in close proximity to others. This simple precaution helps us minimize any potential transmission and protect the well-being of our entire camp.

Your ongoing support, cooperation, and adherence to these policies are integral to maintaining a happy and healthy environment for everyone.

If you have any questions or concerns regarding our COVID policy, please do not hesitate to reach out. We are here to support you.

All of our policies are subject to change depending on the current situation. We will keep all of our families up to date with any changes made for the summer of 2025.
