CHECK-IN, CHECK-OUT & DEPARTURE PROCEDURES

TRAVEL ITINERARIES

Parents or guardians are responsible for providing NFA with a detailed travel itinerary prior to the start of the program. This information must include:

- Whether the student will be checked in and/or out by a parent or guardian
- Whether the student is traveling with a school group or other students
- Whether the student will be utilizing NFA's Airport Shuttle Service to or from Pensacola International Airport (PNS)

STUDENT CHECK-IN

Detailed check-in information will be provided through each family's UltraCamp account closer to the program start date. This communication will include specific check-in times and procedures and will be sent to the primary email address on file.

- Authorized check-in required: Only authorized parents, guardians, or chaperones may check in a student. Students are not permitted to drive themselves to or from the National Flight Academy.
- After check-in is complete, parents and chaperones are asked to depart promptly to allow students to begin their orientation and fully immerse themselves in the NFA experience.

STUDENT CHECK-OUT

To ensure student safety, all authorized parents or guardians must present a valid photo ID that matches the authorized pickup list submitted during registration in UltraCamp.

- Check-out procedures will be communicated prior to the start of the program and again before the final day of departure.
- Students may not leave NFA until they are properly signed out by an authorized parent or guardian.
- Even if your student is departing by airplane, please ensure that the Pick-Up Authorization information in your UltraCamp account is accurate and up to date.
- Before leaving AMBITION, students are responsible for retrieving any medications from the nurse. Medications left behind will be properly disposed of by the NFA Nurse.

GRADUATION CEREMONIES

- Deployment Graduations are hosted at the National Naval Aviation Museum, unless otherwise stated.
- Cruise Graduations are held in the NFA Mess Deck.
- Family members are encouraged to attend and celebrate their students' achievements!

LATE PICK-UP POLICY AND FEES

Whether a student is being picked up directly from NFA or flying out from Pensacola International Airport (PNS), they must be picked up promptly at the designated dismissal time on the final day of camp. NFA staff members are scheduled to remain on-site only until that time, and late departures create logistical and supervision challenges.

If a student departing directly from NFA is not picked up within one hour of the scheduled dismissal time, a **late fee of \$50 per hour** will be applied to your account. If a student's flight is canceled and pick-up is not arranged for the same day, the parent/guardian will incur a **minimum fee of \$500 per night** to cover additional staffing, lodging, and supervision expenses.

TRANSPORTATION

PENSACOLA INTERNATIONAL AIRPORT PICK-UP & DROP-OFF

NFA offers transportation service between Pensacola International Airport (PNS) and National Flight Academy for Deployment programs only.

This shuttle service is available only for students flying on confirmed airline tickets. Students traveling on standby flights must be checked in and out directly at NFA by a parent or guardian, as shuttle service cannot be provided.

- Transportation service is available for an additional fee each way.
- Arrangements must be made at least four weeks prior to the student's Deployment.
- Parents must contact NFA to request this service and complete the Deployment Transportation Form with itinerary information.

Important Notes:

- Only students are permitted on the NFA shuttle; parents/guardians must arrange their own transportation to and from the airport.
- The shuttle service is not continuous, it operates on an as-needed basis, coordinated with individual flight schedules.

Recommended Flight Schedule:

- Arrival (Sunday): Arrive at PNS no later than 10:30 AM CST.
- Departure (Friday): Flights should depart no earlier than 3:00 PM CST and no later than 5:30 PM CST.
- All flights must be confirmed ticketed flights. NFA cannot accommodate standby flights — no exceptions.

UNACCOMPANIED MINOR (UM) REQUIREMENTS

Parents must notify NFA if a student is traveling as part of an airline's Unaccompanied Minor (UM) program. Airline policies require NFA staff to remain with the UM through security, boarding, and takeoff; therefore, additional time and staff coordination are necessary.

Recommended Flight Schedule for UMs:

- Arrival (Sunday): Arrive at PNS no later than 10:30 AM CST.
- Departure (Friday): Flights should depart after 4:00 PM CST but no later than 5:00 PM CST.
- UMs may not travel on the last flight of the day to their next destination.

Please note that some airline booking systems do not account for UM restrictions automatically. If flights are booked outside of NFA's UM policy, NFA staff will contact the parent or guardian to modify travel arrangements.

LATE SCHEDULING & ITINERARY CHANGES

Any transportation changes must be coordinated with NFA staff no later than four weeks prior to the student's program start date.

- Involuntary airline changes (e.g., delayed or canceled flights) must be immediately communicated to NFA staff.
- Parents or guardians are responsible for confirming all flight bookings and notifying NFA of any delays, cancellations, or missed flights.

WHAT TO EXPECT UPON ARRIVAL

LUGGAGE INSPECTION AND MEDICATION POLICY

Upon check-in at National Flight Academy (NFA), all luggage will be inspected by NFA staff.

- **Medications:** Students must remove all medications from their luggage and hand them over to the nurse at check-in. This includes both prescription and over-the-counter medications. All medications should remain in their original containers with clear dosing information on the label. Place medications in a Ziploc bag with the student's first and last name clearly written on the bag for easy identification during check-in.

Upon arrival, bed linens, pillows, towels, and washcloths will be provided in the staterooms.

LANYARD & ACCESS CARDS

Each student will receive a color-coded lanyard corresponding to their assigned Carrier Air Group (CAG), which must be worn at all times.

The lanyard will also hold a name tag indicating the student's assigned squadron.

Students will be given an access card that serves as a key to their assigned stateroom. This card must be worn on the lanyard at all times and should not be exchanged with others. At the end of the program, students must return their access cards to NFA staff.

STUDENT STATEROOMS

Students will be assigned to gender-specific Berthing areas, each with staterooms that accommodate up to six students of the same gender and within 12 years of the same age/grade level. Each Berthing area also includes a lounge for students assigned to that hall.

STATEROOM LOCKERS

Students will be assigned lockers in their staterooms. It is strongly recommended to lock valuables inside, as NFA is not responsible for missing or stolen items. Students may bring their own lock or purchase one from the Ship's Store.

Locker Security: Students are encouraged to keep their lockers secured when not in use.

Room Searches: If necessary, any search of student staterooms will be conducted by NFA Executive Leadership.

ROOMMATE REQUESTS

While NFA will try to accommodate roommate requests, there is no guarantee. Requests should be made during registration and are subject to availability, as well as age and gender compatibility.

Deadline for Requests: Requests not made during registration must be submitted no later than four weeks before the program start date. Late requests can be emailed to registration@nationalflightacademy.com.

STATEROOM GUIDELINES

STATEROOM LIVING

Students will share a stateroom with 1–5 other students of approximately the same age and gender. All students are expected to be courteous and considerate of their roommates.

These guidelines are designed to promote respect, cooperation, and effective time management.

- No modifications or alterations may be made to staterooms after check-in.
- Radios or personal audio devices may be used only with consideration for roommates and must be turned off during Lights Out.
- Stateroom doors automatically lock and can only be unlocked by the assigned residents or authorized NFA staff.
- Students may not visit staterooms assigned to students of the same or opposite gender. Lounge areas are available for visiting within each hall.
- Room changes are not permitted unless directed by NFA staff.
- Appropriate clothing must be worn in lounge areas and when transitioning to and from showers.
- Towels may not be worn as the only coverup when walking between staterooms and showers.
- Shoes are required outside of the stateroom, including when transitioning to showers.
- Upon departure, students are responsible for collecting all personal belongings. NFA is not responsible for any items left behind.

DAILY ROOM STANDARDS

Each morning, before breakfast, staterooms must be clean and orderly. Rooms should meet the following standards:

- Bed neatly and completely made
- Clothes properly stored on hangers, folded in drawers, or placed in a laundry bag
- Shoes neatly stored in the closet
- Personal items arranged in an orderly fashion on desks or inside closets
- All lights, blow dryers, curling irons, and other electrical devices unplugged and turned off

LIGHTS OUT POLICY

Lights Out will be observed each night at 22:30 CST (10:30 PM CST). At this time, all students must be in their assigned staterooms and bunks with lights turned off. All noise-producing activities must cease.

Overnight Resident Assistants (RAs) conduct hall and berthing area checks every 15 minutes from Lights Out until Reveille the following morning to ensure safety and compliance.

CONNECTING WITH STUDENTS

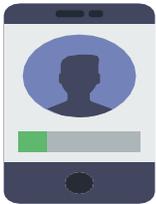

EMAIL

Students enjoy receiving letters from home! Emails are printed and distributed at “mail call” following dinner each night. One email per student is printed each day. We encourage families with multiple members to include each member’s message to the student in the body of one email to ensure students may receive each message. We will encourage, not require, your child to write a handwritten response back to you. Should your child choose to reply, we will send their scanned letter back to you the following day, by 4:00pm CST. Emails are only distributed Sunday through Wednesday evening. You may email your child at axp@nationalflightacademy.com

CARE PACKAGES

Fill a bag with some basics like a book, playing cards or snacks for students while they are at NFA. (Remember, NFA is a nut-free facility.) Please provide all care packages for the students before they arrive, as we do not accept mail or permit parents or chaperones to visit during camp.

SOCIAL MEDIA CHECK-IN

Remember, we are a cellphone free program. Photos and videos are a great way to see the activities of the week. We post as often as possible to our [National Flight Academy Facebook](#) page. We make great effort to include every child as often as possible. We do not “tag” students to protect their identity. Parents will enjoy sharing these posts with family and friends.

GRADUATION DAY

NFA’s graduation ceremony is held each week, on Friday, in the National Naval Aviation Museum’s Blue Angel Atrium. Parents, families and sponsors are encouraged to attend!
