

Camp Woodie Parent Handbook

Our mission is to pass on the legacy of our wildlife and waterfowl heritage to the next generation of hunters.

Camp Woodie Goals

- Every camper will learn new skills that will be valuable to them for the rest of their life. Campers will receive recognition for observed positive behavior and also receive exposure to new activities, providing opportunity for positive risk-taking, free-play and social growth. This helps campers develop a sense of accomplishment as they develop these lifelong skills.
- Every camper will make new friends. Camp is a great opportunity to help your child see what friendship looks like through the positive role modeling of their counselors and then by providing socialization opportunities within their cabin/peer group creating a sense of belonging to a community larger than themselves.
- Every camper will share responsibilities of group living. Campers participate in cabin inspections, camp love (camp wide cleaning) all while getting along with others in a close-knit environment developing their character as they make friendships that will last a lifetime.
- Every camper will gain a greater understanding of the natural environment. Attitudes that reflect care and respect for the natural environment are fostered by providing opportunities for exploration through all outdoor activities and guest seminars.

Arrival and Departure

Campers should arrive at camp on Sunday between 3:00 pm and 5:00 pm. Please note that gates will open no earlier than 3:00 pm. Check-in will take place at the **entrance pavilion**. Parents will be able to drop off medications, add store money, drop off bows and register for Hunters Education (Junior & Senior weeks) or Boaters Education (Senior weeks only) in the Boyd Family Dining Hall and/or Chace Lodge.

Check-out is on Friday morning, beginning at 10:00 am at the Boyd Dining Hall. An optional awards ceremony will take in the Boyd Family Dining Hall at 11:00 am with a slideshow presentation from the week, as well as our most sought-after awards.

Cancellation and Refund Policy

Cancellations made more than 14 days prior to check in day will receive a refund minus the \$100 deposit. No refunds will be issued within 14 days of check in unless parents provide a written doctor's note describing an injury or illness preventing the camper from attending camp. We will also issue a refund in case of a death in the immediate family. We encourage families to purchase the trip insurance to cover any other cancellations. Once a camper arrives at camp, no refund will be issued.

Lost and Found

We do our best to have your campers packed with all their belongings on Friday before check-out. Please be sure to check lost and found located at all buildings before heading home. Labeling all of your campers items will assist both camp staff & parents in identifying your camper's possessions. Due to the large number of campers and possessions, it is challenging locating lost items and sending them home, so please be sure you leave with everything your camper came with. All items left behind are kept for a short period of time and then donated. If we are able to locate any items left behind at camp, we can mail them at the owner's expense.

Camper Cabin Mate Request

Campers are grouped by gender and age. We do our best to honor up to four roommate requests, as long as campers are close in age and request each other. When there is a difference of age, the older camper will be moved down to the younger cabin. All cabin placements are made to give your child and all other campers the best possible camping experience. Cabin mate requests are done by parent/guardian as part of the registration process and can be adjusted/added after the registration is completed.

Accredited Camp

Camp Woodie has been accredited by the **American Camp Association** since 2015. The American Camp Association is the standards oversight for quality camping in the United States.

Food

Please do not supply your child with food, chewing gum, or candy. Help us ensure they are not bringing any food during their stay at camp. We provide ample, balanced meals and snacks. Food attracts pests, and may cause hard feelings among the other campers. Food found will be stored in the kitchen and evenly distributed among the cabin group. Please read the section below concerning the canteen snack time.

Camp Canteen (Camp Store)

Canteen consist of snacks and drinks that campers have the option of purchasing once a day Monday-Thursday. Campers will visit the Proshop once a week to purchase any Camp Woodie apparel, duck calls, water bottles, ect. We recommend depositing \$40-\$50 for the week.

Money can be added by logging onto your account, going to additional options, and then clicking "camp store." You can also add money on Sunday during check-in. Any unused canteen money will be placed back onto the credit card account on file with Camp Woodie on Friday evening.

Allergies

If your child has a food allergy, be sure to leave snacks that are safe for your child to consume during canteen each day. You will need to provide enough snacks to last for eight canteen periods. If your child has specific food requirements, please contact Camp at least two weeks prior to your child's Camp session, so we can create a plan of action. It is preferred that parents of children with specific food requirements leave food for the week with the kitchen staff upon arrival. A menu can be requested before the start of the camp session.

Electronics

Please leave cell phones and other electronics at home. At Camp Woodie we focus on creating new friends with real-live people and activities. 'Unplugged for a week, connected for a lifetime'. Any cell phones that arrive at camp accidentally will be confiscated and kept in our safe until check-out. We ask that campers leave all electronics at home; Camp Woodie is not responsible for any lost or stolen devices.

Contacting Campers

We ask parents to only call the camp in the event of an emergency situation. If your child is homesick, needs medical care or has any other complications Camp will contact you directly as soon as the situation allows. (See Below)

Birthdays

If your camper is to have a birthday during their stay at camp, please notify us during check-in or via email. We will honor them with a special birthday treat, birthday wishes, and song from the entire camp.

Mail

Remember to provide your camper with stamped, self-addressed envelopes so that your child is able to write you during their stay. They love to receive mail as well! Please send mail no later than Monday and specify their week of attendance so they will receive it before they leave.

Please Address mail to:

(Campers Name) – (Cabin Name)
C/O Camp Woodie
9833 Old River Road
Pinewood, SC 29125

Mail for campers can also be dropped off in the Chace Lodge and/or Boyd Dining Hall during check-in!

Medications

All medications will need to be dropped off with our camp nurse during check-in. Medications must be in the original container, labeled with child's name, medication name and strength, dosage, and the prescribing doctor's name on each container. Be SURE to send enough medication to last the entire week. Please also send written directions for administering the medicine. Place medications and instructions in a plastic bag with the child's name printed in bold letters on the outside. All medication information should be updated on the camper's account online. Please be sure to pick up medications during check-out on Friday.

Parent Notification of Injury or Illness

In the event of an injury or illness during camp, parents will be notified in the event that:

- Your camper has an injury or illness that removes them from activities for a prolonged period of time.
- Your camper has an injury or illness that requires them to stay in the Camp Infirmary.
- It is determined that your camper needs additional medical care away from camp. You will be provided updates as we are able to do so.
- Your camper's illness, injury, or emotional health present concerns for their ability to have a positive experience at camp.
- We feel there is a concern for your camper's mental health state.

Camper Behavior Policy:

Our behavior policy is designed to help children develop self-control and assume responsibility for their actions. We are guided by our core values of faith, honesty, caring, responsibility, and respect.

Behavior Guidelines while at Camp Woodie

- I will be honest and respectful (of my peers, my camp staff, and myself).
- I will follow directions and rules at camp.
- I will act appropriately towards any camper or staff member.
- I will respect the property and belongings of Camp Woodie, other campers, and staff members.
- I will use/practice appropriate conduct and language.
- I will stay within camp boundaries.
- I will do my best to HAVE FUN!!!

Campers who stray from these guidelines will work with their counselors and leadership staff to return to acceptable behavior as outlined below.

Disciplinary Procedures

The first violation of rules will issue a verbal warning. The counselor will work with the camper to discuss the inappropriate behavior, the negative impact it has and how the situation should be handled in the future. Depending upon the severity of the infraction parents may be contacted.

Violations occurring after this warning will result in the camper meeting with their counselor and leadership staff to review the infraction, the negative impact on others and set up a plan for the future here at Camp. Parents will be contacted and time outs/removal of activity privileges may also occur.

Any violations occurring after the second warning will result in a meeting between the counselor, camper, and camp director to determine the course of action to be taken regarding misbehavior.

Parents will be contacted and be informed of the outcome of the meeting and the implications it has for the camper's future here at Camp Woodie.

If a camper is sent home due to a behavior issue, no refunds will be issued.

Camper Safety

Safety is our number one priority at Camp Woodie in all activities, but particularly during shooting activities. It is imperative that your camper understands the need to adhere to all rules to help ensure the safety of their fellow campers, camp staff, and themselves. Our counselors strive to make camp life fun while practicing safety first! The counselor serves as a “parent figure” & role model during your child’s stay. Please talk to your child about the importance of communicating with his or her counselor should issues arise that negatively impact his or her camp experience. It is our goal to first prevent and then correct any problems that occur at camp.

Confidential Information

We strive to provide your camper with the ‘Best Week of Their Year’. Information provided by guardians will only be available to the camp director, camp nurse, and the camper’s counselor in order to provide a quality experience for your camper and prevent any embarrassment that delicate information may cause. We take our jobs very seriously and will accommodate your camper’s needs in every way possible.

Required Forms

Camper Registration and Permission Form

Please complete all necessary information online at www.wildlifefeedcenter.org under the “Sign Up Now” link. You can edit/update your account at any time once you’ve created an account.

Model Release Section

This form is signed during the registration process, and it gives SCWA and Camp Woodie permission to take “activity” photos of your child and use them to advertise and promote our summer camp as well as provide parents the ability to view their campers on Camps social media platforms. This section must be signed by a parent/guardian in order to complete registration.

Medical Consent Form

This form will need to be completed online during registration for medical purposes. By signing this form, you will be giving Camp Woodie the right to treat, as well as the right to take campers to urgent care/hospital in the case of an emergency. **THIS FORM DOES NOT NEED TO BE SIGNED BY A PHYSICIAN.**

Camper Health History

Please complete this form to give the camp health staff team vital information regarding your campers past and current health. The form can be filled out and uploaded to your camp account. **THIS FORM DOES NOT NEED TO BE SIGNED BY A PHYSICIAN.**
