

## Resident Overnight Packing List

We recommend that you mark all clothing and belongings with a permanent marker. Unfortunately, there are many pieces of clothing left at Camp each summer that are not claimed and are unidentifiable. This substantial lost and found pile is held on site for 1 week following your camper's completed week before being donated to charity. While we are happy these items find a good home eventually, we want the person who owns the clothing to have them again! We are not responsible for lost or stolen items! (Please call the camp 330/837-1534 about any lost items: first to expedite locating items and also to schedule the best time to arrive at the camp to retrieve them.) Check out the video on Camp CHOF's YouTube page for a helpful video on how to pack for camp!
