You **have** an online account, even if you didn't register online and/or don't know your username and password. If you do not know your username and password, please give us a call or email and we will get you the information. **Please do not create a new account.**

To access your online account from our website homepage. www.campkidwell.org Once you are logged in, you can access all the information that is included in your account, upload and complete forms, make payments and much more.

You can also access the features listed above by click on the "Additional Options" tab at the top of the page and select the feature you would like to use. Pictures in the Online Gallery will not be available until late on Tuesday morning of each week of camp. If you try to log in before then, it will ask you for a password. This is only because the pictures are not available.

If you have any trouble logging in or using your account, please contact us at 269-521-3559 or campkidwell@btc-bci.com

Thank you and we hope you enjoy these features.
