### **PACKING LIST**

**Winter gear is REQUIRED!** Please be sure your child has boots, a winter coat, snow pants, a hat and at least two pairs of gloves. They will not be able to attend Winter Camp if they do not have these items. If you are not able to get these items for your child, please contact us immediately and we will do our very best to help ensure they get the items.

Please remember that your children will be staying with us for at least 4 days. Please be sure they have enough of each item to last them for at least 4 days, and we recommend even packing a couple of extra just in case.

**VERY IMPORTANT** - Please put initials on all clothing and personal items with a permanent marker. Personal belongings **WILL** get mixed up or misplaced and it is much easier to find the correct owner with initials.

### **Winter Weather Gear**

### **DROP OFF AND PICK UP**

- We will have signage and staff to help make each process as smooth and efficient as possible. Everyone is asked to stay in your car until a staff member greets you with directions.
- Families will visit a few stations during both drop off and pick up.
- Parents are encouraged to ask all questions at each station. We want you to have all the information you are looking for.

#### Drop off

- You will review all camper paperwork, visit the health officer for medicine/medical review and set up campstore account.
- You will meet your camper's counselors, unload personal belongings and take them in their cabin/day camp group.
- Parents and campers say their goodbyes.
- Campers will start their week with fun games with their counselors and cabinmates.
- Staff members will help campers make their beds and set up their belongings. Day campers will set up their cabin as well.

#### Pick up

- Families will sign their campers out, pick up any medicines and receive your exit packets.
- Then they will go to the designated area to pick up their camper.
