

Rainy Day Dinner Club Expectations and Parent/Guardian Agreement

Cooking

- Students will practice knife safety and cutting techniques using 6-8-inch sharp chef knives.
- Some heating elements and electric appliances will be operated by students under the teacher's supervision.
- We will provide vegetarian option upon request at registration.
- We can NOT provide gluten free or dairy free classes.

Safety

- Safety of students is of highest priority. The program staff works very hard to maintain an environment where students can participate in activities safely. We ask that all students do the same.
- Our instructors have a current First Aid/CPR certification and we have basic first aid supplies on hand. If a student experiences a minor injury while participating in activities, program staff will care for the student.
- If a child is significantly injured, the staff will immediately call 9-1-1 as well as notify a parent or guardian. In the event of a natural or other disaster, students will remain under the direct care and supervision of program staff until alternate arrangements can be made.

Photographs

- Your registration provides permission for Rainy Day Dinner Club to use photographs of students for promotional purposes. If you do not want your child photographed, please contact us at rainydaydinnerclub@gmail.com

Allergies

- We do NOT adhere to a "nut-free" policy at Rainy Day Dinner Club. However, we will attempt to minimize risk to vulnerable students. We have a "no trading and no sharing" policy, which we attempt to enforce consistently. In addition, instructors are informed of any student who has allergies and will do their best to monitor those students.
- **WE CANNOT ACCOMMODATE** students with **WHEAT, GLUTEN, or DAIRY ALLERGIES**.
- If your child has any food/substance allergies, please note them during registration and please ask your student not to accept snacks with other students. Programs staff will follow up with families on a case-by-case basis. Parents/guardians are responsible for providing any necessary medical supplies (e.g., EpiPen).

Code of Conduct

- Students are expected to maintain the same behavioral standard that they would have during the formal school day.
- On the first day of class, student will go home with a copy of our [Camp Expectations](#) ("Expectations"). We're asking all parents to review the Expectations with their child before the second week of class.
- If a child is consistently disruptive and prevents the instructor from conducting class, the instructor reserves the right to ask the child to drop the class. Parents will be given a formal warning before these measures are taken.
