Overnight Camp Financial Assistance Request

1. Overnight camp financial assistance requests will be processed once it has been confirmed that the girl is registered for a session and the \$75 deposit has been paid. You must complete the registration prior to requesting financial assistance and Tier 3 pricing must be selected during that registration. Financial Assistance is only available for GSOSW Girl Scouts and cannot be awarded to adult campers.
2. If requests are not granted in full, the \$75 deposit paid to reserve the camp spot is refundable upon written request to answers@girlscoutsosw.org.
3. Requests are granted based on financial need. Families are encouraged to contribute a portion of the camp fee. If a Girl Scout has Program Credits including Cookie Credits that can be used for camp, she is encouraged to use these before requesting Financial Assistance.
4. Overnight camp financial assistance is only available to girls that reside within the GSOSW council jurisdiction.
5. All information will be held in the strictest confidence.
6. Overnight camp financial assistance for more than one program will only be considered after June 1, after all requests have been reviewed, and as funds allow.
7. Funds are limited, and are distributed to qualified applicants on a first-come, first-served basis.
