Dear Young Adult Retreat Participant,

I praise God that you have decided to attend the Young Adult Retreat. My prayer is that your faith is strengthened, eternal friendships are formed, and that we each see a fresh glimpse of the beautiful character of God.

This year's theme is "By the word of their testimony" and it is based on Revelation 12:11. God has called us to be overcomers through His sacrifice and what He has done in each of our lives. Please be thinking about your story and what He has done for you.

The following are some details that are pertinent for this weekend.

Location: 288 West Side Rd. Weld, ME. If you've never been to Lawroweld, have it in your GPS long before arrival because you will lose cell reception 30-45 minutes prior to arrival.

Accommodations: Bring your own bedding, toiletries, etc. Some of the rooms are a large multi-bed room that you may sharing with other people. The women will have their own assigned cabins as well as the men.

Married couples will have their own room.

What to bring: A positive spirit, Bible, warm clothing, clothing to hike/adventure in, swimsuit.

Food: Many are wondering why the weekend is a little more expensive. The food will be that much better, that's a promise. We will accommodate the vegan and gluten free diet.
