## Driving Directions:

Cell phone reception is unreliable near camp, and GPS directions can send you on seasonal roads. We recommend using the detailed directions below for navigation within 5 miles of camp (from Hardwick North or Irasburg South).

### Northbound

From Route 14, take a right turn at the "Craftsbury Outdoor Center 6 miles" sign (South Craftsbury Road). Pass through Craftsbury Village, go up a hill, through the village of Craftsbury Common (a collection of white houses at the top of the hill). Sterling College is on your left, the Post Office and Craftsbury Academy are on your right. Continue out of town approximately 3/4 mile past the Common, and look for a yellow curve sign. As the sign indicates, the pavement curves to the left, you want to bear right off the pavement and follow the "Craftsbury Outdoor Center" signs (staying on Mill Village Road). Continue on the dirt road for just under 1.25 miles and turn right onto Lost Nation Road. The entrance to the camp is approximately 1.8 miles after the turn. You will pass the Craftsbury Outdoor Center on the left and continue another mile until you come to an opening in the trees on the left with a Hosmer Point sign. Check-in is in at the top of the hill.
