## Check-in & Check-out

*No supper will be served on the night of check-in; please have your camper eat before they arrive.*

### Need to leave early or arrive late?

We would ask that you do not check out your camper early or arrive late unless it is absolutely necessary.  
Please contact the camp office to make arrangements.

CHECK-IN	CHECK-OUT
<b>Check-in is on Sunday from 5:30 PM – 7:00 PM</b>	<b>Check-out is at 11:30 AM (Most camps end Friday)</b>
If your camper requires medication, you will hand it over to our nurse in the gym. <u>All medication (prescriptions, vitamins) must be turned in to the nurse during check-in and will be administered as scheduled.</u> Please bring all medication in original containers.	Campers' luggage will be at the gym, sorted by cabins. <u>Campers will only be released to someone listed on their account as an authorized person to pick them up.</u> Medications can be picked up in the ballfield on check-out day at the "Health Center" table.
If you'd like to send a letter to your camper, drop it off at the mail tent by the ballfield during check-in. Please label it with your camper's name. We'll store and deliver letters throughout the week.	If you are not personally picking up your camper at camp, make sure that you have listed the authorized person picking them up on your camper's registration. ( <u>All parents must be listed</u> ).

## HOW DO YOU HANDLE MY CHILD'S HEALTH AND DIETARY NEEDS?

### Health & Wellness

We prioritize the health and safety of every camper, making it our staff's top concern.

Our goal is to keep campers healthy and happy so they can enjoy an incredible week at camp!

- A well-equipped Health Center is located on-site and staffed by medical personnel. We have "over the counter" meds in stock, so please do not send any ibuprofen, acetaminophen, or benadryl-type products with your camper.
- Clinics and emergency room care are located within 12 miles of camp and many of our staff are Emergency Medical Responders. Should your child require off-camp care, every attempt will be made to contact you first.
- Camp Shamineau carries secondary medical coverage on campers. Medical bills resulting from injury while at camp must first be submitted to the camper's personal medical insurer.
- Campers with epi-pens or inhalers should bring two, one to keep in their cabin and one to leave with the nurse. Bring an anaphylactic kit for severe allergies.

### Dietary Needs

- **Gluten allergies:** Our kitchen offers gluten-friendly options at every meal. Please note, gluten friendly meals are prepared in areas that also prepare non-gluten-free meals.
  - A very limited selection of gluten-free alternatives will also be available at the kitchen service counter.
- **Nut allergies:** Our kitchen does not serve peanut or tree nut products. However, some products may be manufactured in facilities that also process nuts.
- **Dairy allergies:** Lactose-free milk will be available at the kitchen service counter.
- **For all other allergies,** please contact the kitchen to discuss available options at [foodservice@shamineau.org](mailto:foodservice@shamineau.org).
  - Unfortunately, the kitchen may not be able to accommodate all special diets.
  - Food storage space is available for guests who wish to bring their own food.

## HOW ARE STAFF SELECTED AND TRAINED?

We carefully select our staff based on their personal commitment to Jesus Christ, maturity, character, and genuine love for children. Staff members undergo a thorough hiring process including interviews, reference checks, background checks, MinistrySafe training, and a week-long staff training on-site.

## HOW DO I CONTACT MY CAMPER DURING THE WEEK?

### NO TO PHONES & VISITORS

Please do not send cell phones to camp.

Campers will not be allowed to keep cell phones. Camp Shamineau is designed to be a place where campers step away from the noise of everyday life and into something different. We ask that phones stay home so that every camper can be 100% present for the friendships, faith, and the memories waiting for them here.

Campers are only permitted to make or receive phone calls in emergency situations. For emergencies, please call the camp office. After 5:00 PM, our answering machine will provide an after-hours emergency number.

#### **Stay Connected**

We'll keep you updated by email and text, be sure to check your spam folder so you don't miss anything!

\*No visitors are allowed during the week.

### YES TO EMAILS & MAIL

#### **Camper Emails**

To send an email to your camper, go to our website ([shamineau.org](http://shamineau.org)). In the drop down under "Summer Camps," click on "Email a Camper." Emails will be printed off each morning at 9:00 AM (Monday-Thursday) and distributed to campers during mail time. Due to system constraints, campers will not be able to respond to emails and office staff will not reply to emails directed to your camper. We also request that you don't send multiple emails each day.

#### **Mail**

We recommended that parents drop off letters for their camper at check-in. Please label them with your camper's name. We'll store and deliver the letters throughout the week. If you're sending mail through the post office, allow at least 3-4 days for delivery.

*Send mail to: PO Box 244, Motley, MN 56466*

Please don't bring or send packages. Pack any treats in your camper's suitcase before arrival.

## HOW DO YOU HANDLE ... SEVERE WEATHER? WATERFRONT ACTIVITIES? POISON IVY? HOMESICKNESS?

### Severe Weather

With summertime always comes the possibility of severe weather. Our directors monitor the weather constantly during any weather alerts, and the Morrison County Sheriff's Department is in direct contact with us at those times. Counselors are trained in safety procedures in case of severe weather. Island campers shelter in the lodge on the Island.

### Waterfront Activities

Our waterfront has a dock system that divides the shallow part of the swim area from the deeper part. All campers are allowed to swim in the shallow areas and those who wish to swim in the deeper sections must wear a life jacket.

Certified lifeguards supervise all swimmers and waterfront activities. Lifejackets are provided by Camp Shamineau for all necessary activities. Tubing and various other boating activities are meticulously organized and conducted under the supervision of certified lifeguards and highly trained personnel.

### Poison Ivy

Let your campers know that poison ivy grows abundantly in our area. Help them learn to identify it and encourage them to stay on well-traveled paths. Campers should always wash hands with soap and water after being in areas of possible poison ivy contact or use an alcohol-based waterless hand sanitizer.

### Homesickness

Preventing homesickness begins at home with you! While at camp, we'll support campers through any feelings of homesickness, but here are some helpful tips:

- Encourage your camper to bring a good friend; supportive friends can be a great help.
  - Consider an overnight stay before camp to gauge readiness.
  - Send cheerful, frequent letters or emails to keep their spirits up.
- If your camper experiences significant homesickness, staff will reach out to discuss the situation.

# 1 GOSPEL CENTERED **WHAT WE'RE ABOUT**

Every camper will hear the Gospel of Jesus at Camp Shamineau. God's love and salvation is at the heart of everything we do at camp, through chapel, daily conversations, devotions and activities. After their time here, campers will leave having heard a clear message of God's love for them and His desire for a relationship with them.

## 2 FUN ACTIVITIES

Camp is full of fun and exciting activities! Campers can soar on the zip line, ride horses at the ranch, conquer the climbing wall, or make a splash at the waterfront with tubing, the Blob, or the Wibbit. Every activity is designed to build confidence, create lasting friendships, and make memories that will be talked about all year long.

## 3 STRENGTHENED RELATIONSHIPS

At Camp Shamineau, cabins grow close through fun activities and shared experiences. Counselors are intentional about connecting with each camper, building real relationships, and encouraging them in their faith.
