

Program Packing List

All items listed are things campers will need to provide for online camp activities.

Another list will be generated indicating what Okizu will provide in the Happy Camper Kits. We wanted to give parents as much time as possible to prepare so we are sharing the entire packing list today. Not all campers will choose to do each activity so you don't need to have all the items on this list. Please let us know if you have questions or join us live on Facebook tomorrow night to get all your questions answered.

Activity	Things You'll Need
DIY Pinball machine	bamboo skewer, cardboard, bottle caps, marker, masking, tape, medium sized shoebox, ruler, scissors
