THINGS YOU WON'T NEED

Camp is a special time away. Some of the things needed at home are not necessary at camp. Here are a few items to leave at home. Campers will not need money, cell phones, radios or other music players, electronic games, pets, or food. Items of significant value should stay at home.

Tobacco, alcohol, illegal drugs, fireworks, firearms, and weapons of any kind are prohibited at camp.

Camp has a modest approach to our expectation of camp attire. We ask campers not to bring clothing with alcohol, drug, tobacco, or sexually suggestive slogans or logos. Halter tops, tube tops, backless shirts, sheer clothing, mini-shorts or skirts, exposed midriffs, and exposed underwear don't align with camp expectations

HEALTHCARE AND YOUR CAMPER

Please complete the Camper Health Form in its entirety. **This will be done in your on-line account.**

PRE-CAMP HEALTH CONCERNS

In order to protect your camper and the greater camp community, it is important that each camper is healthy when they arrive at camp. Use the following guidelines as you assess your camper's health prior to camp.

Does your child have?

- Fever (100°F or greater)? Yes No
- Sore Throat? Yes No
- Cough? Yes No

If you checked "yes" for fever AND one or two of the other symptoms, keep your child at home because of an influenza-like illness. Current recommendation is that children remain home for seven days after symptoms start, even if the child is no longer ill. If your child is still sick after seven days, keep your child at home until well for 24 hours. If you have questions about your child's health or symptoms, call your child's healthcare provider. If your child has been diagnosed by a healthcare provider with a different disease – such as strep – follow your healthcare provider's recommendation.

As stated in the Health Form, please make sure all prescription and non-prescription medications are in their original containers and clearly labeled with the camper's name and dosages. Dosage instructions are strictly adhered to unless alternate written/signed Physicians orders are provided.

HEALTH CARE AT CAMP

A Camper Health Assessment is part of the Check-In procedure that includes checking camper temperatures, discussing recent sicknesses or exposures, and going over the camper Health Form. All medications will be received and logged by camp personnel during Check-In.

Daily dispensing of prescribed medications, basic first aid, and health monitoring are provided while at camp. Families will be notified if your camper vomits, has a persistent condition (i.e. headache, nosebleed, fever, homesickness), or needs to be taken to the doctor or emergency room (Erlanger Children's Hospital, Chattanooga, TN).

Special dietary needs are also noted on the health form. Contact the camp office ahead of the camp session in order to allow time as necessary to address the concerns at (706) 820-1163 or admin@camplookout.com

A FINAL WORD

We are looking forward to having your child at camp. We expect great blessings all around. Should you have questions that remain, please give us a call at (706) 820-1163. Please save this guide for your reference.
