

Holston Conference Camp and Retreat Ministries 2022 Sponsorship Contract

Holston Conference Camp and Retreat Ministries (CRM) is happy to provide an opportunity for United Methodist Churches to provide financial assistance to their campers through a Sponsorship Account with CRM. Once a Sponsorship Account is established, a unique Sponsorship Code will be assigned to the church to be used by camper parents at the time of registration. The financial assistance provided by the church will be applied to the campers' registration fees. Churches will be invoiced by email at the end of the summer camping season.

This Contract must be completed in full by the responsible parties prior to the establishment of the Sponsorship Account and the assignment of the Sponsorship Code.

Sponsorship Agreement

As representatives of the undersigned United Methodist Church, in exchange for the opportunity to establish a Sponsorship Account through which to help sponsor children to attend a Holston Conference Camp, we agree to remit payment in full for the amount of sponsorship accrued throughout the registration process within two weeks of being invoiced by the CRM Office at the end of the regular summer camp sessions.
