THINGS YOU WON'T NEED

Camp is a special time away. Some of the things needed at home are not necessary at camp. In fact, there are a few items to make sure to leave at home:

- Money, cell phones, radios or other music players, electronic games, pets, or food, and items of significant value.
- Tobacco, alcohol, illegal drugs, fireworks, firearms, and weapons of any kind are prohibited at camp.
- Camp has a modest approach to our expectation of camp attire. We ask campers not to bring clothing with alcohol, drug, tobacco, or sexually suggestive slogans or logos. Halter tops, tube tops, backless shirts, sheer clothing, mini-shorts or skirts, exposed midriffs, and exposed underwear do not align with camp expectations.

Personal sporting gear brought to camp for specialized camping activities must be inspected by camp recreational personnel prior to use, must be clearly labeled, and is the camper's responsibility.

Camp provides great entertainment, meals, and snacks, and each camper will receive a shirt and a link to all pictures and videos taken during this event.

HEALTH CARE AND YOUR CAMPER

Please complete the Camper Health Form in its entirety and submit it to your Youth Director. Each person attending the Junior High Service Week will be required to submit a completed Health Form at Check-In.

PRE-CAMP HEALTH CONCERNS

To protect your camper and the greater camp community from illness, it is important that each camper is healthy when they arrive at camp. Use the following guidelines as you assess your camper's health prior to camp. If your child's health keeps them from attending Junior High Service Week, please notify your Youth Ministry Director.

- Has your camper had any of the following signs / symptoms today or within the past two weeks?
 - Cough..... Yes No
 - Temperature over 100°F..... Yes No
 - Congestion or runny nose..... Yes No
 - Fever or chills..... Yes No
 - Difficulty breathing..... Yes No
 - Fatigue..... Yes No
 - Nausea or diarrhea..... Yes No
 - Loss of taste or smell..... Yes No

If you checked "yes" to any of these questions, your camper will not be allowed to attend camp for two weeks (exception – symptom related to diagnosed ongoing medical issue – please document on Health Form).

Each of these questions along with temperature check will be a part of the camp check-in process.

HEALTH CARE AT CAMP

A Camper Health Assessment is part of the Check-In procedure that includes checking camper temperatures, discussing recent sicknesses or exposures, and going over the camper Health Form. All medications will be received and logged by camp personnel during Check-In.

Daily dispensing of prescribed medications, basic first aid, and health monitoring are provided while at camp. Families will be notified if your camper vomits, has a persistent condition (i.e., headache, nosebleed, fever, homesickness), or needs to be taken to the doctor or emergency room (Erlanger Children's Hospital, Chattanooga, TN).

As stated in the Health Form, **please make sure all prescription and non-prescription medications are in their original containers and clearly labeled with the camper's name and dosages. Pill organizers, plastic bags, and unlabeled bottles are not allowed.** Dosage instructions are strictly adhered to unless alternate written/signed Physician's orders are provided.

Special dietary needs should be noted in the camper Health Form. We can accommodate most dietary needs and/or allergies. Contact the camp office at (706) 820-1163 or email admin@camplookout.com at least two weeks ahead of your camp session to allow time to address concerns.

LIFE AT CAMP LOOKOUT

Summer camp provides a unique developmental opportunity for young people. Away from their regular routine and removed from the distractions of everyday life, campers are presented with wonderful opportunities to grow in the great outdoors. At camp, campers become part of an intentional, God-centered community. Campers gain new insights into who they are and how they relate to others. Research shows that children who attend camp become more independent, grow in self-confidence, and develop important social skills.

The heart of Camp Lookout's intention during each week of camp is to, **"Share the Love of Christ in the Glory of God's creation."**

Our goal is for each camper to have:

- An active and fun week of camp
- A Christian community that inspires campers to grow in their relationship with Jesus Christ
- A wide range of camp opportunities and activities to meet the variety of needs and interest of our diverse campers
- A well-trained and loving staff focused on the needs of campers
- A healthy and safe camp environment

We have one “RULE” at Camp Lookout:

“We are in the Build Them Up Business, Not the Tear Them Down Business.”

- *We want to Build up:*
 - *Ourselves*
 - *Our Neighbors*
 - *Our Environment*

Camp Lookout has a variety of housing options for campers, all of which include air-conditioning. Most cabins include bathroom accommodations, while others require using the bathhouse. Campers will stay in appropriate accommodations with the corresponding staff-to-camper ratio staying with them. The Camp Lookout Schedule offers structure and routine in a camper’s day, with more fun and excitement around every corner.

Living in close community with one another, all campers are expected to be kind and caring towards each other. Language and actions which are abusive towards others **will not be tolerated**. Parents, please prepare your child for these expectations. Parents will be notified if there are persistent behavioral concerns. Remember, “WE ARE IN THE BUILD THEM UP BUSINESS, NOT THE TEAR THEM DOWN BUSINESS.” It is a great guide to live by every day.

Photos and Videos of each Camp Session

Each week hundreds of pictures and videos are taken of campers participating in activities and programs at camp. These pictures and videos are compiled, and from these pictures a video slideshow is created. This slideshow, along with all the compiled photos and videos will be available for download at no charge. A link will be shared at the end of each week to view photos and videos from the week.

WHILE YOUR CAMPER IS AT CAMP

While camp is an uplifting experience in many ways, it can also be a challenging time for campers and parents, particularly in a first-time camp experience. The following points can help both camper and parent.

- In your conversations with your child prior to camp, be positive, displaying confidence and enthusiasm about the trip to camp.
- Please help your child know that camp is not a phone friendly world and that calls are generally made only when there are problems.
- Please be in prayer every day for your camper and the camp staff during the camp session.
- It is quite normal to miss your child.
- The camp activities are FUN and active. Your camper's day is filled with activity.
- You will be called if there is a problem at camp.
- Camp Lookout staff takes homesickness very seriously and are experienced in helping children deal with their uneasy feelings. Calls from home are often counterproductive, but staff will have conversations with parents if these feelings persist.

MAIL AND EMAIL

Receiving mail from home can be a real joy for your camper. Remember to send mail early. Mail can be sent to:

Camper's Name
Camp Lookout
3130 Highway 157
Rising Fawn, GA 30738

Prepare some self-addressed, stamped postcards for your camper to send home. Writing home can be fun and help campers stay connected with home while at camp.

Emails can be sent to campers at camper@camplookout.com.

- Limit one per day per sender
- Include camper first and last name in subject area of email
- Emails are checked Tuesday – Thursday at 11:30 am, printed and delivered to campers
- Campers will not have the opportunity to send reply emails
