

Camp Kirby Registration Funds Options

In light of the devastating news that our traditional summer camp programs have been cancelled, we understand that you likely have questions about registration fees you have already paid. If you have paid more than the \$50 nonrefundable deposit/processing fee for Day or Resident Camp this summer, you will get to choose how to spend the funds you've already paid toward Camp. Please see details of your options below.

OPTION ONE: In light of the financial devastation COVID-19 has caused, we humbly ask that you donate the full amount you paid to Camp Fire Samish & Camp Kirby. Together, we must strive to ensure that Camp is here for you next summer and remains for generations to come.

OPTION TWO: Donate a portion of your payment and use the rest as a credit good toward any activity or event Camp Fire Samish has to offer. Please note that a \$300 donation can be deducted from your 2020 taxes when you file next year, regardless of how you file.

OPTION THREE: Use the full amount paid as a credit toward any Camp Fire Samish or Camp Kirby event, merchandise, or program.

OPTION FOUR: If you have paid in full for Resident Camp, you may receive a voucher good toward an equivalent session at Resident Camp in summer of 2021. Registration will open early just for you AND you will receive this year's rate.

Please note: With the exception of option #4, one \$50 deposit/processing fee per child will remain nonrefundable.

You will receive further guidance and a detailed financial statement from Kathryn later this week.
