

# **2026 Day Camp Evacuation, Drop Off and Pick Up Plans**

## **Padre Picnic Area Tilden Park**

Here is the drop off and pick up plan that was approved by the Tilden Park Supervisor:

### **DROP-OFF**

Cars will enter the Padre parking lot to circle in a counter-clockwise circuit of the parking area. As they enter the lot, you will be greeted by adult traffic guides while campers are still in the vehicle. Adult staff with check-in/out clipboards will mark the campers' names. Then cars will be directed to follow traffic cone guidance to the drop off area at the far edge of the parking lot where campers can exit their car with the aid of an adult or PA so that they may safely guide the camper out of the parking area. Please wait for an adult or PA to guide the camper to the field. After your camper has exited/entered your car, please keep the clockwise flow of traffic to exit the parking lot.

Any adults that need to complete paperwork or give extra assistance to their campers will be directed by adult traffic staff to a park-established parking space to take care of those needs. Adult staff will be on hand to help with special needs.

### **PICK-UP**

GSNorCal requires that minors must be signed out by the person authorized by guardians to pick up. Drivers will need to park their cars along the edge of the lot and walk down to the cones near the ramp to present their ID and sign out campers. Please back in to all parking spaces for safety as required by both Girl Scouts and East Bay Regional Parks.

### **EMERGENCY EVACUATION PLAN**

If the camp must be completely evacuated due to being in the area of a fire zone: all will proceed by foot to the Botanic Garden. If needed the group will proceed from the Botanic Garden to the Lake Anza Swim Center or up Golf Course Rd. to the Golf Course Clubhouse. A Day Camp Adult Volunteer has been assigned to notify families in the event of an emergency evacuation.
