

Brookside and Tots Day Camp

SNEAK PEEK

A MESSAGE FROM THE DIRECTOR

Welcome!

We are very excited and have been counting down the days to share with your children our passion for camp. We thank you having the confidence in us to be a part of their summer. One of the favorite topics among young children is animals, and that's why our theme this summer is animals. For Tots campers we have: Turtles, Stingrays, Dolphins and Jellyfish. For Brookside campers we have: Lions, Elephants, Pandas, Sloths, Cheetahs, Polar Bears, Kangaroos and Dinosaurs. Each week you will read about highlights from the activities that your child explores. During camp, ask your child to share the best part of camp, what their counselor's names are, and what they learned each day at camp!

While we are busy preparing for all the excitement coming up in one short week, our staff is busy in training, starting this week leading up to the first day of camp. We are providing them the important tools, strategies, tips, tricks, and role playing. It is our number one priority to keep your children as safe as possible and we train our staff to instill the same beliefs.

On **Saturday, June 15th, at 4pm**, we will be holding a parent presentation for Brookside and Brookside Tots. During this time, you will be able to meet our directors, counselors for each group, and the instructors who will be planning engaging activities for the entire summer. You will have a chance to ask questions and to hear about what our camp has to offer. We look forward to meeting you!

Armando Esquivel
Brookside and Tots Day Camp Director

DAILY ITEMS NEEDED/REMINDERS

Water Bottle
Bathing Suit/Towel
Sunscreen

Please label your child's items

Brookside campers
swim **everyday**
