

CRANBROOK DAY CAMP

Welcome!

We are so excited to welcome each and everyone one of you to our Cranbrook Day Camp family! We have been hard at work planning events and training our staff to ensure that your child has the best camp experience this summer.

Our goal at CDC is the holistic development in health, happiness, and life skills within a safe and encouraging environment with guidance of qualified staff to allow each camper to develop his individual abilities.

Our camp has a long standing tradition of teaching kindness, respect, and character. These are the values we live by. Be kind. Show respect, and have good character. We discuss these values with campers every morning and we work on living out these values each day at camp.

Each week campers will get to participate in a wide variety of activities including: soccer, swimming, basketball, lacrosse, archery, tennis, field sports, and canoeing. Each week campers have the opportunity to go on field trips, and we end the week with our Friday activity!

We look forward to meeting you on Monday!
