# Week 1 Highlights

Please take some time to read about the activities the campers have done this week and what is to come!

## Art:

The girls of Kingswood enjoyed making 3D cubes out of paper that were designed to help the campers get to know each other. Some of the girls also got very creative by making tie dye suncatchers out of coffee filters. Next week, campers will create a picture holder out of rocks and explore colors.

- Heidi

## Archery:

Welcome to Kingswood! This week, the girls are being introduced to the basics of archery, including the importance of safety. They are already making great progress and we look forward to the rest of summer!

- Olivia

# Week 1 Highlights Cont.

## Canoeing:

At canoe this week, we worked on basic canoeing skills. The girls took turns going out with counselors to practice paddling, turning and balancing.

- Emily

## Dance:

Hi, I'm Carly, the Kingswood dance instructor. We had a great first week of dance! The girls were so brave trying new things. We focused on line dances that are done in big groups of people. The entire camp learned the finale dance from High School Musical and we will perform it together on Friday!

# Week 1 Highlights Cont.

## Drama:

In Drama this week, we introduced the idea of theatre as the art of telling stories through live acting. In order to tell these stories well, actors need to exhibit skills such as active listening, strong physicality and accurate facial expression. The students loved games where they had to pay attention and make choices outside of their comfort zone.

- Noah

## Nature & Science:

This week in Nature & Science, we discussed the difference between living and non-living, applying the concept to a variety of creatures and items. We also talked about a food chain and how it works by simulating amongst the campers. Some groups spent time stretching their creativity by building a miniature catapult that launched their marshmallows.

- Rebekah

# Week 1 Highlights Cont.

## Music:

This week, the kids learned about rhythm and rhyme by learning some camp chants. They had so much fun parading around camp shouting their chants. Next week, the campers will embark on a musical scavenger hunt!

- Hope

## Sports:

Welcome! I'm Liz, the sports instructor. This week we got to know each other better and learned the importance of good sportsmanship and staying hydrated! We played Skunk Tag and Crazy Soccer. Next week, we will play blaster ball, castle ball and volleyball.

# Week 1 Highlights Cont.

## Tennis:

Hi, I'm Katherine, the camp's tennis instructor!

This week, we learned how to serve the ball! The girls practiced basic forehand and backhand serves in order to feel comfortable holding a racket. Next week, the girls will play a game to learn the drop serve and the overhand serve.

## Yoga:

Hello, I am Kayla, the yoga instructor. Our first week of yoga was a blast. Campers have used their imagination to explore various introductory yoga poses and did great! Next week, campers will get to see how yoga can be used in a fun way to relieve stress and help them unwind on crazy days. Kingswood is the place to be!
