KINGSWOOD DAY CAMP PARENTS:

Thank you for an outstanding summer! We enjoyed having your girls here with us and we hope they had as much fun as we did.

It is hard to believe that eight weeks went by so quickly, but we had a fantastic summer with a lot of great activities, new friendships, and pleasant memories.

Enjoy the rest of your summer, and we hope to see you next year!

We ended this fun-filled summer with learning to make different kinds of origami and bracelets! The campers were also able to take instructions home to do their favorite origami or bracelet. What a great summer it has been! I have enjoyed getting to know the creative side of every camper and I hope they are able to continue crafting during the school year. Thanks for a great summer campers!

Drama:

In our final week of camp, we brought back our favorite games from previous lessons. Campers were able to use the skills they learned over the course of camp, showing their growth in the more competitive activities. I have had so much fun working with all the girls over the past 8 weeks, watching them break out of their shells and put their best self forward in my class. I'll miss them all!

Music:

On Friday of our last week of camp, KDC hosted a talent show. Throughout the week, I helped the groups prepare and choreograph their routines and sets, in anticipation of the big day. I am so proud of all their hard work, not only this week, but all summer long! I hope you all have a wonderful summer.
