We would love to see your camper return and continue to further their artistic talent! Here are the subjects we will be offering for the upcoming weeks this summer:

Senior Division

Week 8: Illustration & Sculpture

Picasso's P.A.R.R.O.T. Posse

Picasso the Parrot is Summer Art Studio's mascot.

Part of our camp's culture is embodying qualities that help make camp fun, where we strive to be the best that we can be. Parrot stands for:

Polite
Attentive
Respectful
Responsible
Organized
Teamwork

Each day, Summer Art Studio has an award ceremony where several campers are nominated to become part of Picasso's Parrot Posse. Out of the five nominated, two campers are chosen, one from the junior division and one from the senior division, and they become part of the Parrot Patrol – helping us to find other campers that also embody PARROT!

We hope your child will join us in helping to be PARROT while spending time with us this summer. Be sure to ask your child about PARROT and what they are doing to make conscious choices towards being a PARROT.

Thank you for all of your cooperation in helping us create a fun and safe camp experience for everyone at Summer Art Studio.

JUNIOR DIVISION

Drawing: This week in Miss Kat's class, the juniors really made a splash by using oil pastels to create Henri Matisse inspired fish bowls! Each camper learned about color theory and choosing color combinations while designing their tank of aquatic friends! Campers also practiced shading and blending techniques for oil pastel that are "of-fish-ally" awesome!

Aili C: worked hard to draw an adorable axolotl and nifty narwhal in her fish tank! Yeah, you "betta" believe it!

Gavin B: created a "fin-tastic" fish tank with a turtle and shark. I hope the shark doesn't bite!

Giselle M: drew a narwhal, the unicorn of the sea, which makes her fish tank dolphin-ately awesome!

Hannah L: is always a shining star at camp just like her starfish. Anyone would be "jelly" of her colorful sea creatures!

Kai R: is always ready to "carp diem" at camp with his exciting fish tank, but watch out for the crab on the loose!

Eloise H: was excitedly hopping around on our nature walks yet perfectly respectful when picking her materials for her land art. Enthusiastic to combine nature and art, she made a beautiful pinecone forward sculpture using radial symmetry.

Morgan M: brought her wit and uniqueness again this week! When carefully planning her natural sculpture - she went above and beyond to make sure to bring her creative vision to life, carefully counting out every leaf and flower she needed.

Noa E: had the politeness and teamwork that would make any teacher overjoyed. When gathering supplies on our nature walk, she generously offered interesting looking materials she found to her other classmates. She loved sharing her great idea with all her classmates!
