

YOUTH MULTI SPORTS CAMP

FAREWELL CAMPERS!

We wrapped up another great week here at Multi-Sports. For our final week, we continued to encourage campers during games of soccer, lacrosse, swim, floor hockey, softball, football, and basketball.

This week, we also attended an incredible performance of "Seussical the Musical," by our fellow Cranbrook Theater School campers.

During their time at camp, many campers also enjoyed participating in our Friday talent show.

Our campers developed an understanding of the basic rules of various sports, important teamwork skills, and sportsmanship.

Many had the opportunity to play sports they had never played before. We were pleased by their enthusiasm for sports and progress throughout the week.

We hope all of our campers enjoyed their time here at Sports Camp. A big thanks to our wonderful campers from our Multi-Sports staff for an amazing four weeks!
