

After an exhilarating Week One full of games, expeditions, and harmony, Week Two at Cranbrook Day Camp continues with more fun in the sun! Campers will traverse Cranbrook's campus as Outdoor Exploration brings the grounds alive and canoeing brings us up close and personal with some of the longest living tenants in the community. Week 2 focuses on flicking the switch from nervous to curious. Counselors will continue to encourage and cheer for campers as they navigate new experiences. On Friday, campers will participate in our Friday activity, The CDC Olympics.

# CDC Drop Off

Camper drop off begins at 8:45am. Our counselors will greet your camper at the car. Anything that needs to make its way to the office can be handed to the counselor during drop off. Please use the Boys Middle School entrance located off of Valley Way.

### **The CDC Promise**

We, the CDC Camp Staff, promise to provide our campers a fun and memorable experience that helps them grow into respectful and responsible young men. In doing so, we strive to provide all campers several opportunities to see integrity in action.

# CDC Pick Up

Pick up takes place in the same place as drop off. We dismiss at 3pm and need your help to keep things moving smoothly. Please have your authorized pick up form in our staff's line of vision. This form can be found online inside the Document Center.

## Reminders

- Label all of your child's belongings!
- If your child forgets something at camp, have them look in the lost and found in the lobby of the Boys Middle School.
- Any medications brought to camp need to have an Authorization to Administer Medication (AAM) form with them. Please deliver forms and medication to the camp office or give it to a staff member at drop off

## Suggested Questions to Ask Your Camper

•What do you love about your counselors?

 Did you try anything new? What is something that you found challenging?

- When did you feel most proud today?
- How were the Olympics?

We are so excited to welcome each and everyone one of you to our Cranbrook Day Camp family! We have been hard at work planning events and training our staff to ensure that your child has the best camp experience this summer. Our goal at CDC is the holistic development in health, happiness, and life skills within a safe and encouraging environment with guidance of qualified staff to allow each camper to develop his individual abilities. Our camp has a long standing tradition of teaching kindness, respect, and character. These are the values we live by. Be kind. Show respect, and have good character. We discuss these values with campers every morning and we work on living out these values each day at camp. Each week campers will get to participate in a wide variety of activities including: soccer, swimming, basketball, lacrosse, archery, tennis, field sports, and canoeing. We look forward to meeting you on Monday! ~Camp Administration
