

**Week 8
Farewell**

Cranbrook Day Camp

Dear Cranbrook Day Camp (CDC) Families,

We can't believe the summer is already coming to an end. It truly flew by! It's been such a fun and unforgettable season, and we wanted to send a big thank you for sharing your amazing kids with us!

From sunny days outside, new friendships, trying new things, laughter, and unforgettable camp moments your campers brought so much energy, laughter, and heart to every moment. We feel incredibly lucky to have been part of their summer!

Thank you for your support, your trust, and for being such an important part of our camp community. We loved getting to know your campers and can't wait to welcome your campers back next summer!

Wishing you a great rest of the summer!

The CDC Team
