

Cranbrook Day Camp

Welcome

We are so excited to welcome each and every one of you to our Cranbrook Day Camp family! We have been hard at work planning events and training our staff to ensure that your child has the best camp experience this summer. Our goal at CDC is the holistic development in health, happiness, and life skills within a safe and encouraging environment with guidance from qualified staff members to allow each camper to develop his individual abilities. Our camp has a long-standing tradition of teaching kindness, respect, and character. These are the values we live by. Be kind, show respect, and have good character. We discuss these values with campers every morning, and we work on living out these values each day at camp. Each week campers will get to participate in a wide variety of activities including soccer, swimming, basketball, lacrosse, archery, tennis, field sports, canoeing, arts & crafts, science & nature, music, and creative movement! We look forward to meeting you on Monday!

~Camp Administration

Everyday Items

- Water Bottle
- Swimsuit and Towel
- Closed Toe Footwear

Cranbrook Day Camp

Pertinent Information

CDC Drop Off

Camper drop off begins at 8:45am. Our counselors will greet your camper at the car. Anything that needs to make its way to the office can be handed to the counselor during drop off. Please use the Boys Middle School entrance located off of Valley Way.

CDC Pick Up

Pick up takes place in the same place as drop off. We dismiss at 3pm and need your help to keep things moving smoothly. Please have your authorized pick up form in our staff's line of vision. This form can be found online inside the Document Center.

The CDC Promise

We, the CDC Camp Staff, promise to provide our campers a fun and memorable experience that helps them grow into respectful and responsible young men. In doing so, we strive to provide all campers several opportunities to see integrity in action.

Reminders

- Label all of your child's belongings!
- If your child forgets something at camp, have them look in the lost and found in the lobby of the Boys Middle School.
- Any medications brought to camp need to have an Authorization to Administer Medication (AAM) form with them. Please deliver forms and medication to the camp office or give it to a staff member at drop off

Cranbrook Day Camp

MEET OUR CDC TEAM

Chad

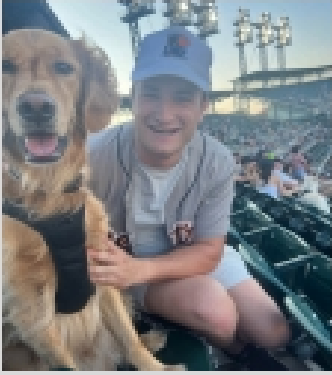

My name is Chad Chappell, and I am honored to serve as the Director of Cranbrook Day Camp (CDC). I have 14 years of experience as a full-time camp director overseeing year-round residential and day camp programs. During the school year, I serve as a school administrator for a local school district. I chose Cranbrook for myself and my three fantastic children, ages five, nine, and fourteen. When I'm not at camp, my lovely wife and I cherish spending quality time together with our kids, relishing life, and having fun in the sun!

At CDC respect, individuality, and trust are at the forefront of everything we do. Please feel free to reach out to us so that we can ensure that your child shares that experience. -Chad

Danny

Hi, everyone! My name is Danny, and this will be my 12th year at CDC and my 7th as an assistant director! During the school year, I can be found on the Cranbrook grounds, teaching fifth grade and coaching football and basketball. When I get some free time, I like to travel and go hiking with my wife, Sydney, and our canine son, Louie. I also love golfing and just spending as much time outside as possible! I am looking forward to an amazing summer together!!

Holly

My name is Holly Berkseth (aka ThunderPanda), and this is my 5th year as an Assistant Director at CDC. I started at Cranbrook in 2014 when I was hired as the Arts and Crafts instructor at CDC. During the school year, I work as a 1st grade teacher at Brookside. When I am not at Cranbrook, I love spending time with my fiancé, Andrew, and our two cats, Gus and Poptart. We enjoy cooking new meals together, going on road trips up north, and playing board games and card games. I am excited for another fun summer together!

Emily

My name is Emily Gilbert (aka ThunderGiraffe), and this is my 3rd year as an Assistant Director at CDC. During the school year, I work as a 2nd Grade Teacher at Brookside. When I am not at Cranbrook, I love spending time with my husband (Zach) and two daughters (Lexi and Everly) and our dog Willy. We love to spend time outside, watch movies, build Legos, and play games (video and board). I am looking forward to another fun summer with everyone!
